4-H Enrollment is NOW!!! All enrollment is done via 4-H Connect this year. You can access 4-H Connect by going to our 4-H website at http://agrilife.org/bell4h/ and clicking on the 4-H Connect icon.

To maintain the level of programming and opportunities in the Texas 4-H and Youth Development Program, an annual participant fee is implemented for each 4-H member (Clover Kids & Adult Volunteers excluded) starting this 2012-2013 4-H year. The participant fee is $20 if enrolled from August to October 31st, November 1st the participant fee will increase to $25. This will hopefully ensure that the Texas AgriLife Extension Service can continue to deliver the highest quality 4-H program in the world.

Please do not worry if you are still pending at the county level once you have enrolled. The county office will try to keep up as best as we can by approving them at least once a week. As long as you complete your enrollment, you are in the system and good for enrollment and BCYF requirements.

For instructions on how to enroll, please visit: http://agrilife.org/bell4h/4-henrollment-guidelines/4-h-enrollment-information/

If you have further questions, please contact the County Extension Office at: 254-933-5305

4-H Open House will be held September 11th from 5:30-8pm at the Bell County Expo Assembly Hall. The Bell County 4-H Ambassadors and the Open House Committee will be hosting a 4-H Open House to recruit new 4-H members. 4-H members and children from the public can come to the Open House and learn about all the projects and activities in 4-H. Current 4-H members are welcome to come and learn about new projects offered in the county. There will be Bell County 4-H members stationed at booths and you will have the opportunity to talk to them about their project and all types of activities (i.e. 4-H Camp; Leadership Lab; Congress...).

We will also be having sessions in the middle of the room again to learn more about projects such as: Livestock 101, Dog, Parliamentary Procedure, Fashion Show, Food Challenge.

We look forward to seeing you on September 11th and feel free to contact the Bell County Extension Office at 254-933-5305 with any questions you may have!
Are you a new member this year!!?? We would like to invite all new members and those members who would like to come and learn more about the 4-H program to come to the new member orientation on October 1, 2012, at 6pm, at the County Extension Office. We will be introducing our staff as well as going over the family handbook, and answering any questions you might have about the 4-H program. We also plan to have some 4-H members talk about their 4-H career! Come and learn more about 4-H!

NEW BCYF RULES

Below are the new changes regarding BCYF. Please make sure you have a sign in sheet at each meeting and announce to all members to sign in before, during, and after the meeting.

- The BCYF has a NEW website in which everything will be posted including the new fair book, entry forms, superintendent’s names and phone numbers, score sheets, and other information: http://agrilife.org/bellctyyouthfair/
- You MUST attend 2 meetings to participate in the BCYF. You MUST sign in on the sign in sheets for it to count.
- 2 meetings will be allowed from August to December this year. No meetings will be allowed in January to use for the 2 meeting rule.
- All 4-H members MUST be enrolled by December 10th to participate in the BCYF. However, the fee will go up after October 31st so do it quickly.
- Homeschool Eligibility deadline: January 18, 2013. All Homeschool students must fill out an eligibility form and turn it in by the above deadline.

Welcome to our new Ag Agent!

On September 4th, our new Ag Agent will start! His name is Lyle Zoeller. He has been the Ag Agent in Coryell County. Make sure and make him feel welcome! We are glad to have him as our new Ag Agent!
• A Clover Kid is a child who is in Kindergarten (5 years old) through 2nd grade (8 years old).
• Clover kids will sign up on-line like the rest of the family, but there is no charge from the state for their enrollment.
• Clover Kids will attend regular 4-H club meetings just like other 4-H members. They are a part of your 4-H club in all club aspects, however, when it comes to county contests, they do not advance past the county level and they do not show animals.
• Clover Kids are also not eligible to show at the Bell County Youth Fair. For this reason, we offer the Clover Kid Fair which is in May. At the Clover Kid Fair they will be able to show off any of their FCS type projects that they have done throughout the year. Judges (recruits from the ranks of the older 4-H members) will ask the children about the projects that they have brought and there will be games, refreshments, and awards given out. Length of this event will depend on the number of Clover Kids that participate as well as the quantity of projects they bring to show off. Although we encourage parents and participants to stay for the entire event, some do drop the projects off for judging anonymously.

Quality Counts verification will be required for all youth exhibiting livestock (market and/or breeding) at major livestock shows in Texas (including the Ft. Worth Livestock Show, San Antonio Stock Show & Rodeo, Houston Livestock Show and Rodeo, Star of Texas Fair in Austin, San Angelo Livestock Show, Sandhills Stock Show in Odessa, State Fair of Texas in Dallas, and Heart O’ Texas Fair in Waco). The verification process will require junior exhibitors to pass an online test that measures their knowledge on quality assurance and character education content items.

Starting in May, youth are able to go online to take the test and become verified. A verification number will need to be provided at the time of making an official entry into a Texas major livestock show. Thus, youth will need to have completed and passed the test before the major livestock show’s entry deadline on November 1st. A passing score has been determined to be 80%. Once you move from Junior to Senior, you must retake the test. Those who are not moving up, Randall and Pam have your numbers if you have lost them.

To learn more about Quality Counts including the verification process, please visit: [http://qualitycounts.tamu.edu/](http://qualitycounts.tamu.edu/).

Bell County 4-H members will not be allowed to enter major shows unless they have completed this by November 1st.

NEW for council meetings this year are discussion topics. At each local club meeting a topic, or topics, will be discussed. The Council Delegates will present their clubs ideas about the topic(s) at the council meetings. The Council will discuss all ideas and decide which is the best solution for the county. Then the Council Delegates will report back to their club the decision(s) made by the Council and have a new discussion topic(s) for their clubs next month meeting. The first topic(s) to be discussed is County Community Service. We will be discussing the 2012 One Day 4-H Community Service event: the Homeless "I Care" Kits (a collection of hygiene products) that was voted on at the May 2012 council meeting. Also, added on to the event, the Council Officers have decided to do Operation Christmas Child Boxes (http://www.samaritanspurse.org). For the County Community Service Yearly Contest, the council asks for each club to come up with ideas for this years contest. The prize has changed for this years contest. Instead of choosing between having a pizza or ice cream party, the prize will be $50.00 for the club that wins the contest. The council awaits to hear the ideas your club presents. Remember that each club will need to be represented by two delegates, they are the voting delegates for your club.

Fun for the Whole Family!

We need your help! Each year, the Bell County 4-H hosts fundraisers to help with the costs of supporting our youth.

Our event is called the Hunter’s Spectacular and will be held **October 13, 2012** at the Bell County Expo Center. 4-H ELIGIBILITY

All 4-H youth, including youth in public, private, and/or home school, must adhere to the following guidelines regarding extracurricular activities and academic eligibility:

Complete a “Declaration of Eligibility Form” – If you are in public or private school, your form will be sent automatically to your school. If you are home schooled, you will be required to come to the office to pick one up and fill it out.

OR

Name of 4-H member must appear on a list of eligible students to participate in a specific extracurricular activity signed by the school principal or designee. – This list is usually used during the youth fair instead of filling out a form for each student.

Extracurricular activities through 4-H that require a “Declaration of Eligibility Form” or List of Eligible names:

- All 4-H Competitive Events (this does include photography, Bell County Youth Fair, Participation in ANY 4-H event or activity that would require them to be absent from school.

Consistent with the UIL rules, the Texas 4-H Program has adopted a three school week waiting period upon change in status of school enrollment (ie from public to private or private to home or home to public or home to private) before the 4-H member is eligible for extracurricular activity. As a result of the 81st Legislation, no significant changes were made in TEA or UIL rules and procedures. The 76th Legislature passed House Bill 3573 with 3 major changes in regard to school eligibility and extracurricular activities:

- Authorizes the Commissioner of Education (instead of State Board of Education) to adopt for extracurricular activities and to approve or disapprove UIL rules and procedures.
- Suspension period of “no pass, no play” changed to 3 SCHOOL weeks.
- Authorizes local boards of trustees to adopt policies that establish the number of times that students may be absent to participate in extracurricular activities. It also requires that the policies allow at least ten absences for extracurricular participation but does not cap the maximum number of days that may be missed for extracurricular participation.

Recordbooks

Have you ever thought about doing a recordbook? A recordbook is good for those who want to keep records of their 4-H career, win awards for resumes, or help you with filling out your scholarship applications. All seniors who complete a recordbook say that it helped them with filling out their scholarship applications a lot. We have even helped create a format that ties directly to the 4-H Foundation Scholarship Form. How easy is that!!!

Recordbooks are getting easier to fill out and complete these days! If you would like to learn about how to complete a recordbook, the Bell County 4-H will be hosting 2 workshops this year to help you do a recordbook. The first workshop will help with how to start a recordbook and how to record effective information for recordbooks and will be in October and the second workshop will be in April and will be the second part which is how to fill out the forms and do tables and what to actually do to fill out the recordbook.

If you are interested, please attend the first recordbook training on: **October 18, 2012 at 6-8pm in the CEO.**

*We had a great year for recordbooks this year!*

Congratulations on the following **STATE** recordbook winners!

Graduating Seniors

It is that time again for graduating seniors to start applying for college and filling out scholarships! Seniors need to apply for their colleges/universities NOW!!! Acceptance for some schools will come as early as November. It is better on a scholarship to have been accepted already to a school. So apply NOW for school!!!

Scholarships are also starting to come open and ready for applications. Make sure and watch the newsletter and the Bell County 4-H Website for those scholarship application deadlines. It is always being updated with new scholarships and deadlines.

If you are interested in learning about scholarships available through 4-H or how to apply for a scholarship, you can attend the scholarship training, which will be held at the County Extension Office Board Room on **November 13th, 2012 at 6pm**. This training will be invaluable to learn about what scholarship donors look for in scholarships, how to write an effective essay, or how to fill out effective information on your scholarship application.
The Texas 4-H Technology Team is a group of youth and adults that strive to promote the use of computers and technology in the 4-H program. The Clothing and Textiles Board is collecting fabric to make turbans and scarves for those undergoing chemotherapy treatment. If you would like to participate, our goal is to make 50 turbans and scarves. Each Cancer turban takes 5/8 of a yard of STRETCHY fabric (think t-shirt material). The scarves take 1/3 yard of ribbed knit and 1/3 yard of a coordinating fashion fabric. There is also a tied scarf we can make that uses a 36" square of 100% cotton or silk fabric. Donations of fabric will be collected at the CEO and also at Project Runway. A good place to find inexpensive fabric is the bargain area to the back right of the store at Hancocks and the bargain $2/yard area at Belton Wal-Mart. Just make sure that the fabric feels very soft since it will be next to sensitive skin.

Congratulations!!
