Exhibitors may only bring to the show the number of animals as specified in the rules for that division. No entry fees will be refunded.

SHOWMANSHIP: Exhibitors who compete for showmanship must exhibit their own projects. Anyone who wishes to participate in any livestock showmanship will need to sign up at the time of entry, December 1, 2015. If you miss this entry deadline you will not be able to do showmanship at the show. The cost for this will be $10.00 per division.

CHAMPIONS: All appropriate first places will compete for Champion. The second place in the class from which the Champion comes will compete for Reserve Champion.

EXHIBITIONS: All entries must be exhibited by the owners except when a boy or girl has more than one entry in a class. All entries must be shown by their owner. An exhibitor substitution may only be allowed under conditions of another school activity, sickness, or if the exhibitor has more than one entry in a class or another species showing at the same time. In all conditions, the Bell County Youth Fair Board President must approve the exhibitor substitution and will do so only if all conditions are met. In addition to their own project, substitute exhibitors may show only one animal in each Market Division.
Listed below are the three types of conditions where an exhibitor substitution may be allowed:

**Other School Activity:** This substitution request must be made in writing by the Supervising AST/CEA/FCCLA upon check-in at the Show. This request must be made on the Official BCYF Exhibitor Substitution Form provided by the Show Secretary. This request must be accompanied by a notarized statement which is signed by a School Administrator on school letterhead stating the specific reason for which an exhibitor substitute is requested. The completed Official BCYF Exhibitor Substitution Form and the notarized statement must be returned to the Show Secretary prior to the beginning of each respective Show.

**Sickness:** This substitution request must be made in writing by the Supervising AST/CEA/FCCLA, upon check-in at the Show. This request must be made on the Official BCYF Exhibitor Substitution Form provided by the Show Secretary. This request must be accompanied by a statement, signed by a Physician, on his/her letterhead. The completed Official BCYF Exhibitor Substitution Form and the Physicians statement must be returned to the Show Secretary prior to the start of the respective Show.

It is not necessary to complete an exhibitor substitution form if you have more than one entry in a class. However, only a bona fide 4-H, FFA, or FCCLA member who qualifies under the eligibility rule of the Bell County Youth Fair and Livestock Show and has entered the current year’s show may show the exhibit.

In addition, exhibitors who are immediate family members may substitute for their siblings more than once if needed.

**IN THE EVENT OF STUDENT INELIGIBILITY UNDER THE NO-PASS, NO-PLAY RULING, THE PROJECT WILL BE INELIGIBLE. PROJECTS MUST BE REMOVED FROM FACILITY.**

Any exhibitor not properly caring for their animal during the show, such as feeding, watering and cleaning pens, may be barred from the show the following year. Exhibitors are expected to keep the area around their exhibits neat and clean at all times.

**WEIGHT TOLERANCE: (SEE DIVISION RULES)**
POLICING AUTHORITY: All show personnel, supervisors, and parents are responsible for policing the barn and are authorized to take immediate action to prevent damage, mischief or harm to animals or barn property. Problems should be reported to the Fair Committee.

Ribbons will be awarded to 1st-10th place. Prize money will be paid to the 1st-5th place. (Exception - Market livestock classes and other classes that sell in sale will receive no prize money.)

2. To advance a protest, the protest must be presented to the General Superintendent.
3. To advance a protest for final disposition by the Board of Directors, protest must be accompanied by $100.00 cash. If protest is upheld by Board decision the $100.00 cash will be refunded. If, in the opinion of the Chairman, there is not sufficient time to assemble a quorum of the board, the decision of the General Superintendent shall be final, because in no case will the show be delayed in order to hear a protest. Any project in which the ownership is being contested through a formal complaint filed with the Board of Directors and the show superintendents must be done 1 hour before the judging of that project.
CONDUCT: Unsportsman like conduct (i.e., verbal or physical abuse) will be grounds for expulsion of the person from the entire show. If person is an exhibitor, all projects will be removed. ANIMAL HEALTH ISSUES POLICY & PROCEDURES:
Animals needing care upon and after arrival on the Bell County Expo grounds are subject to this policy and procedures at all times.

The official Show Veterinarian is designated annually by the Bell County Extension Office County Coordinator who will then maintain a memorandum of agreement with said Official Veterinarian. The animal care site on the grounds will be determined by show officials. This location is for the convenience of exhibitors, the show officials and for the quality assurance issues impacting the well being of the animal and the ultimate end user.

The Bell County Youth Fair Association and the Bell County Extension Office will arrange to have an official veterinarian on call and available; however, they do not donate their services or medications. Fees should be discussed before treatment. All medication administered during the livestock show must be administered only by the Official Veterinarian and a written medication record must be filed with the Show officials by the Official Veterinarian.

Exhibitors, parents, volunteers and supervisors with questions regarding animal health issues and/or the need for medications should consult with the Bell County Youth Fair General Superintendents and/or the Extension Designee Ex-Officio to the Fair. These officials will then contact the Bell County Youth Fair Official Veterinarian upon the request and/or the needs of the animal. This can be prior to competition and/or after competition is complete.

Animals receiving performance enhancing drugs per the official veterinarian action (i.e. including, but not limited to, steroids, diuretics, anti-inflammatory, tranquilizers and pain killers) in this manner may be deemed ineligible for competition. The Official Show Veterinarian may remove any animal from competition if the health, safety, or welfare of the animal is in question.

At no time during the time the animal is on the grounds can it be administered any medication by the Exhibitor, Volunteer, Supervisor, and other Veterinarians not designated as Official by the Bell County Youth Fair and Bell County Extension Officials.

This policy and procedure is in place to protect the end user, individual and/or company purchasing the floor animals, and to insure the USDA Meat Quality Assurance Standards per The Wholesome Meat Act as well as assuring fair play for all exhibitors. Proper animal husbandry and animal care standards expected by the participants and attendees will be maintained at all times.
RULE REQUIREMENT: Unless specifically exempted in special rules, all entries and awards are subject to the General Rules. Records may be required by show officials as proof of ownership.

HEALTH RULE: Special care will be taken that animals having diseases of any nature will not be admitted into the show at any time. Unhealed animals from castration, dehorning, docking, or other operations shall be barred from the show. Exhibitors must comply with all rules and regulations set forth by the Texas Animal Health Commission.

DRUGS: All drugs must be administered by a veterinarian. All market animals may be subject to drug tests.

UNETHICAL FITTING RULE: The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus), is prohibited.

WHOLESALE MEAT ACT: The USDA Wholesome Meat Act applies to all market livestock. Only animals eligible for immediate slaughter may be brought onto the grounds and exhibited.

(a) Animals must be in good health and carcasses free of drug or chemical residues.
(b) Drug label directions for use and withdrawal periods must be followed.
(c) If drug or chemical residues are found in tissue of carcasses, the entire carcass may be condemned.

Bell County Youth Fair and Livestock Show, Inc. will in no way be liable or responsible for the condition of carcasses or the sale price of the animal. In such cases, the exhibitor forfeits all rights to any and all proceeds including: Auction Price, Scholarships, Premium Awards, Market (Floor) Price and Special Awards.

As breeding animals are not entering the food chain, the USDA Wholesome Meat Act does not apply to these animals; however, breeding animals will be closely screened for any performance enhancing compounds. This includes, but is not limited to steroids, diuretics and pain killers.

JUDGING: Exhibitors are responsible for knowing the times at which their animals will be judged. Any animal not presented promptly will be ruled ineligible and barred from competition in the class. No complaint or protest on the grounds that the judge overlooked animals will be considered.
REMOVAL: No animal on exhibition may be removed from the grounds before release time without special written permission from the General Livestock Superintendent. Unruly animals deemed unsafe by show officials will be removed immediately.

SIFTING: Undesirable animals will be removed from the show. Any animal that does not make the minimum weight limit is not eligible to sell at the floor price.

CHECKING INTO THE BARN: Superintendents will check exhibitors in and assign stall space.

LATE ARRIVALS: Livestock arriving after designated times will be allowed into the barn only if they have made it to the facility grounds within **TWO (2) HOURS** of the deadline. All late arrivals will be charged a **$50.00** penalty and will be required to hold their livestock outside until all weigh-in is complete before entering the barn.

RELEASE: All stalls and pens must be cleaned. All remaining animals will be released from the barn **30 minutes** after the conclusion of the auction on **Saturday, Feb. 13, 2016**. See Schedule for individual release times. Anyone leaving before published release time will forfeit prize money from all entries and be barred from future shows. **ALL ANIMALS NOT REMOVED FROM THE BARN BY 7:00 P.M., FEB. 13, 2016 WILL BECOME PROPERTY OF BELL COUNTY YOUTH FAIR AND LIVESTOCK SHOW.**
This ethics policy applies to any 4-H/FFA member planning to exhibit animals at livestock shows in Texas. It includes Junior as well as open class exhibitors who compete in structured classes of competition. All classes of livestock offered at the livestock event are included: Cattle (Beef and Dairy), Goats (Angora, Boer, dairy, meat, Cashmere), Equine (Horses), Llamas and other specialty animals, Poultry, Rabbits, Sheep, Swine, and any other livestock classes offered. This “Texas 4-H/FFA Livestock Program Ethics Policy” will be enhanced with additional rules and guidelines which individual fairs and livestock shows adhere to on the local, county, state, regional, and national levels.

The following practices or procedures are unacceptable and are defined as being deceptive, fraudulent, unethical, and inhumane in the care, fitting, preparation and showing of all classes of livestock. The use of any illegal drug is prohibited. Any substance used to phenotypically alter the appearance of an animal entered in livestock events is prohibited. (See Guideline #9). Proof of any animal being subjected to illegal and/or unethical practice(s) and/or procedure(s) described herein subjects the animal to immediate disqualification. The animal is ineligible for exhibition at any livestock show on the local, county, state, regional and national levels. The exhibitor will forfeit any premium, awards, or auction proceeds, and may be prohibited from future competition at livestock shows in Texas, as well as being subject to potential criminal prosecution.

The following is a listing of guidelines all 4-H/FFA exhibitors must follow to enter livestock at organized competitive events.

1. Exhibitors must be bona fide members of a 4-H Club or FFA Chapter in the state of Texas and care for their animals under the direct supervision of a County Extension Agent or Agricultural Science Teacher. Exhibitors must be enrolled in, and attending, public or private and/or home school elementary or secondary schools in Texas. Exhibitors must be in grades 3rd – 12th for the exhibition year.

2. 4-H members that plan to show horses at any of the twelve district and/or the Texas State 4-H Horse Show should submit a signed copy of this Ethics Policy with their entry forms. While items 3-9, listed below, do not apply to the horse project, there are specifics on ethics in the publication Texas 4-H Horse Show Rules and Regulations (AS 3-2.043) that do apply. The Texas State 4-H Horse Show and all of the district horse shows are conducted under the rules and regulations contained in this publication and 4-H’ers are expected to comply with those rules regarding ownership, management and treatment of horses. Horse validation deadline is May 1.

3. All exhibitors must have viable proof (Junior division) of ownership available to prove length of time animals have been owned. Market animals (Beef, Sheep, Swine, Goats) must be owned and under exhibitor’s daily care by the following deadline dates: June 30 – All major Steers and State Fair Lambs, Goats, Swine; October 31 – Lambs and Goats; November 30 – Swine; to be eligible to participate at any major livestock show within Texas. This also includes all small market animals (Rabbits and Poultry). The official ownership date is the date shown on the bill of sale or receipt of sale, unless the animal was bred by the exhibitor, in which calving or birth records will be utilized. (Individual show rules may determine ownership requirements for non-market animals.) Registered breeding livestock must show the exhibitor as the sole owner of the animal on the breed association papers or certificates. Breeding animal validation deadlines dates: June 30 – Spring Heifer Validation; October 31 – Breeding Sheep and November 1 – Fall Heifer Validation.

4. Exhibitors must continuously own and personally feed and care for their animal (s) throughout the entire feeding period. The feeding period begins with the species validation date through exhibition at all shows (exhibitors must provide continuous care for breeding heifers and sheep throughout the animal’s eligibility to show). Prior approval must be granted by the “Species Specific County Level State Validation Committee” in the event the animal will be outside the direct care of the exhibitor for more than 48 HOURS. Exceptions may be made with approval from the “Species Specific County Level State Validation Committee”. By signing this document, the exhibitor and parent/guardian, recognize his/her responsibilities for the feeding and care of livestock projects throughout the feeding period and hereby authorizes the State Validation Coordinator, supervising Agricultural Science Teacher /County Extension Agent and the “Species Specific County Level State Validation Committee” the right to inspect your livestock project(s) at any time during the feeding period with or without prior notice.
Any exhibitor in violation of the feeding/care rule is subject to disqualification.
5. Animals validated for major shows may also be exhibited at other shows. Be advised, however, that if any validated animal is exhibited and SOLD at any other show, the animal will be ineligible to show at any subsequent major show. If ownership changes, regardless of method or length of time, that chain of animal ownership is considered broken.

State validation deadline dates are as follows:
State Fair and Heart of Texas All Other Major Shows:
June 30 for steers, heifers, lambs, goats and swine
October 31 for Lambs and Goats
October 31 Breeding Sheep
November 1 Breeding Heifers
November 30 for Swine

6. Any method used to misrepresent the age of an animal for a class in which it is shown is deceptive and considered a violation of the rules and guidelines.
7. Showing an animal for another individual by claiming ownership in order to show in a specific livestock class or event is prohibited. False ownership is a violation of the rules and guidelines.
8. Treating an animal internally or externally, with any irritant, counter-irritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhume, and is prohibited. This includes, but is not limited to the use of graphite, air, powders, hemp, artificial hair coloring, common products such as fly spray, ointment or liniment used to the point that is irritating, (unless required to reduce edema at time of calving) or similar type products. The use of dyes, spray paint or other artificial coloring which result in altering an animal’s true and natural appearance and/or color is prohibited. Adding false hair or hair-like material, fleece, or skin at any point, spot or area of the animal’s body is illegal and may result in immediate disqualification.
9. Surgery, injection or insertion of foreign material under the skin and/or into the flesh of an animal to change the natural contour, conformation or appearance of an animal’s body is illegal. This includes vegetable oil, air, silicon or any other substance used to alter the shape of the animal. Acceptable practices of physical preparation which are allowed include, clipping of hair, trimming of hooves, dehorning, removal of ancillary teats, and docking of tails.
10. The use of inhumane fitting, showing and/or handling practices or devices shall not be tolerated.
11. The Administration of the Texas 4-H and/or FFA Programs reserve the final and absolute right to interpret these guidelines and to arbitrarily settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of or connected with or incident to “Texas 4-H/FFA Livestock Program Ethics Policy”.

Any violation of the “Texas 4H/FFA Livestock Program Ethics Policy” or specific rules as designated by individual fairs and livestock shows may result in forfeiture of premiums and awards, disqualification, and may result in probationary status and/or loss of eligibility for future participation in organized livestock competition. Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic Act/or the animal mistreatment, neglect, and abandonment laws that apply on the local, state, and/or national levels. All rule violations will be dealt with on an individual basis by the “Specie Specific County State Validation Committee”, the State Validation Coordinators, and/or appropriate livestock show officials.

I, the parent/guardian and exhibitor, am verifying that I have read the “Texas 4-H/FFA Livestock Program Ethics Policy” and understand the consequences of and penalties involved for illegal, unethical, inhumane, and unfair practices in livestock competition. I am also verifying knowledge that my family and I may be prohibited from future participation in organized validation programs in the State of Texas, and could face possible criminal prosecution and/or civil penalties if implicated in any of the aforementioned acts.

The horse must be owned solely by the exhibitor, his/her parents, brother, sister, or legal guardian. Ownership certification must be met by one of the methods as follow:
A. Registered Horses - A copy of registration papers must be sent in at the time of entering. Registration papers with any breed (including breeding stock) association makes the horse a registered horse.
B. A Grade Horse ID Certificate: must be sent in at time of entering with a photo of the horse. The Grade Horse ID Certificate is available from the Leader/Advisor.

Each exhibitor will be required to present the original copy of either of these forms to the show personnel along with his/her horse in order (EIA test or Coggins) to receive an exhibitor number.

MISCELLANEOUS SHOW RULES:
1. Different horses may be shown by one exhibitor in different divisions; however, horses must still meet ownership requirements.
2. All points will be awarded on a one-horse, one rider basis in each division.
3. Stallions may not be shown in any division.
4. No rerun will be given any contestant if handicapped by his/her own equipment failure or accident to horse or rider.
5. In timed events, at least two watches should be used. The average time of the watches, used by the official timers, will be the official time. An electric timer is preferable and should be used if possible.
6. All ties will be at the discretion of the judge.
7. Tie breakers (high points) - In case of a tie the judge shall determine the class to re-run. If a tie still exists places will be decided by the flip of a coin.

8. Questions regarding the conduct, ethics rules of the show will be referred immediately by the Horse show Superintendent to the General Superintendent. The General Superintendent will confer with the Board of Directors or Judge, if necessary, and give a decision that shall be accepted as final. (See Protests in General Rules).

9. Unsoundness may be penalized at the discretion of the Judge. This decision is not subject to protest.

10. The use of any stimulants or depressants is prohibited. Any surgical procedure, foreign substance or drug that could affect a horse’s performance or alter its natural conformation or appearance is prohibited. All drugs must be administered by a veterinarian.

11. Any time a horse’s mouth is tied or fastened in a performance class, it shall be disqualified. Any open, raw sores or bleeding body parts that come in contact with a hackamore, bit, spur or other related equipment may be penalized at the Judge’s discretion.

12. The BELL COUNTY YOUTH FAIR & LIVESTOCK SHOW is committed to the humane treatment of horses. In any class, inhumane or abusive treatment may result in disqualification at the discretion of the Superintendent and/or Judge.

14. Champions - All appropriate first places will compete for champion. The second place in the class from which the champion comes will compete for reserve champion.

15. High Point Awards - High Point Awards will be given only in Western, English and Timed Event Divisions. The contestant with the most total points earned in a division will be Champion. The contestant with the next highest total in that division will be the Reserve Champion.

16. The Point System is a 10 Point System. **Example 1:** In a class of 15, first place receives 10 points, second receives 9 points, third receiving 8 points, and so on through tenth place receiving 1 point.

17. During all over-fence and timed-event classes and warm up exercises, it is strongly recommended that all riders wear a properly fitted headgear with a fastened chin harness. In all other judged and timed classes, the use of protective headgear is acceptable, recommended, and the optional choice of the exhibitor. ASTM/SEI helmets are recommended. It is the responsibility of the rider and the parent, guardian, or Chapter or Club Leader to ensure that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrians use, and that the headgear is properly fitted and in good condition.

18. In timed events, if the pattern is broken the exhibitor will exit the ring without completing correct run.

19. The exhibitor must move on to the next obstacle after three refusals in all classes with obstacles in the pattern.

The Texas Agricultural Extension Service, Bell County Youth Fair and Livestock Show and the Horse Show Superintendent’s are not responsible for ensuring that the headgear worn complies with safety standards and make no representation or warranty, expressed or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear, because all equestrian sports involve inherent dangerous risks and no helmet can protect against all possible injuries.

HORSE EXHIBITOR’S RIDE NIGHT RULES:

Ride Nights Purpose:
1. Provide a structured opportunity for contestants entered in the Bell County Youth Fair Horse Division to prepare for the BCYF.
2. Open to all 4-H, FFA and FCCLA entered contestants.

Ride Nights Objective:
1. Provide a weather protected environment where contestants can practice to familiarize themselves with the different events and related rules.
2. Provide an opportunity for the horses to become accustomed to a new environment and to being in close proximity to unknown horses.
3. Provide an opportunity for the youth that love horses to meet other youth with the same interest, build relationships and learn to encourage each other.

Ride Night Rules:
1. Rules and operation of the exhibitor ride night program are prepared and implemented by the designated Superintendent.
2. Participants must be entered in the upcoming BCYF to participate.
3. Participants must ride only the horses they have registered for that event for the upcoming BCYF.
4. Contestants must sign up and provide up to date coggins test documentation at the beginning of each ride night date that is participated in.
5. The Ride Night Superintendent will designate instructors and topics for each night. Instructors are volunteers that are helping all our youth. Parents or youth that are disrespectful and disruptive to the instructor will be asked to leave the premises.
6. No alcohol of any type will be allowed during Ride Night activities.
7. Security will be provided.
8. Due to the large number of horses in close proximity and due to lack of event experience for many riders EMS will be provided.
9. Only the contestant and the horses registered for that event are permitted to ride in the arena. This means that no time should anyone other than the entered exhibitor be on a horse in either of the exposition arenas or the Expo Coliseum. During structured time only the authorized instructor of the topic will be allowed in the area with the contestants. The authorized instructor is encouraged to ride a trained horse during the instruction as needed to assist in the instruction process; however the horse should not be one registered to be shown in the BCYF. Exceptions are purely at the discretions of the Ride Night Superintendent.
10. All horses need to be safely controlled by the contestant in a way that insures the safety of the rider and the horse. In the event this does not occur the horse should be led from the arena. Horses should be adjusted to being around other horses and manageable by the rider prior to bringing the horse to Ride Nights.
11. Any horse of an unsound nature should not enter the facility. Additionally, if a horse experiences an injury or shows signs of lameness or illness the rider and horse will be asked to leave the facility.

**DIVISION J -- FOOD PRESERVATION**

**SUPERINTENDENT:** DAWN ORANGE, 254-913-8670

**SPECIAL RULES:**
1. **Canning Procedure:** All entries must be either processed in a boiling water canner etc. (if they are high acid foods) or in a steam pressure canner etc (if they are low acid foods). The processing method required for foods is determined by the pH of the specific food being canned. Periodically, old methods of preparing food are revived. These methods are not reliable and not recommended. For example, the open kettle method is not acceptable.

2. **Jars:** Based on recommendations by the Extension Food Safety Specialist, NO jars will be tasted or opened for judging. All jars must be Mason, Ball, Kerr, Collection Elite Ball jars or Better Homes & Garden. The jar must have a ring on it. Standard pint or quart canning jars with brand name on the side or bottom of jar and standard canning lids are required for all classes except J17-J20. J17-J20 Either the standard pint or decorative ½ pint canning jars are acceptable for the Jellies, Jams, Preserves, Marmalades, Conserves and Butters. No decorations on jars.
No attachable labels on the jars or fabric on lids. No one piece lids. ONLY STANDARD CANNING JARS will be accepted.

3. Products for canning may have been bought, but they must have been canned solely by the exhibitor during the current year.

4. Refer to page 74 Special Rule #2 for recipe card instructions. Canning procedures used must be indicated on the recipe card. Recipe card must include head space measurement.

5. Entries will be judged on criteria such as the pack quality of liquid, color, clarity, container etc. but not flavor.

6. Items will be disqualified if they are: not sealed, are moldy or appear spoiled, if the jar is broken or appears in any other way contaminated. Items will be disqualified if they are not in the standard canning jars which were specified or if the lids or rings are rusted.

7. If you are entering items in classes J-5 or J-6 Relishes and other Pickled Foods, the recipe must include blending of spices, sugar and vinegar with fruits or vegetables which creates a crisp firm texture and pungent sweet-sour flavor. If products are not pickled they must be entered in either J-7 or J-8 if they are vegetables or J-9 or J-10 if they are fruits.

8. Exhibitors may not remove scorecards, ribbons, etc., until release time Thursday.

9. Food Preservation items are NOT eligible for Country Store.

DEFINITIONS:

**Boiling Water/Canning Method**— High acid foods are processed in a boiling water canner. The heat is transferred to the product by the boiling water which completely surrounds the jar and two piece cap. A temperature of 212°F is reached and must be maintained for the time specified by the recipe. This method is adequate to destroy molds, yeasts and some bacteria, as well as to activate enzymes.

**Steam Pressure Canning Method** — Low acid foods must be processed in a steam pressure canner. In order to destroy all bacteria, their spores and the toxins they produce, low acid foods must be heated to a temperature of 240°F and held there for the time specified by the recipe.

**High-Acid Foods**—These foods have naturally high levels of acid or have a sufficient amount of acid added to them. Bottled lemon juice, citric acid or vinegar labeled 5 percent acidity are sometimes added to recipes to increase acidity. Foods in this category must have a pH of 4.6 or lower. The boiling-water method of processing is adequate for high-acid foods. Generally, all fruits and soft spreads are classified as high-acid foods.
Figs and tomatoes require the addition of an acid so they may be safely canned using the boiling–water method. Fermented foods, such as sauerkraut and brined pickles, and foods to which a sufficient amount of vinegar is added are also treated as high-acid foods. Some recipes may call for high-acid and low-acid ingredients but still be classified as a high-acid product; these recipes must have a pH level of 4.6 or lower.

**Low-Acid Foods**—These foods have very little natural acid. Vegetables, meats, poultry and seafood's are in the low-acid group. Soups, stews, meat sauces and other recipes which contain a combination of high-acid and low-acid ingredients, yet remain with a pH level higher than 4.6, must be processed as a low-acid product.
