<td>Good focus, Interesting composition, Nice framing, Sets very refreshing mood.</td>
<td>Good composition, Nice color, Good depth of field, Variety of textures, A little too centered, Distractions on top &amp; lower edges. Almost two subjects. Lacks continuity</td>
<td>Good color, Too centered, Overexposures in foreground, Border left on the picture, Busy on top portion.</td>
<td>Color is not true, A little overexposed, Daylight film used in an indoor setting, Too busy, Eye follows flowers not water flow. Not a strong subject.</td>
