Coach’s Certification Workshop  
September 28-29, 2013 – Cotulla, Texas  

The Texas 4-H Shooting Sports Program has scheduled a workshop just for you. Volunteers with an interest in working with youth to help them develop personal responsibility and other life skills can become trained and certified coaches within the Texas 4-H Shooting Sports program by attending this workshop. In addition to teaching valuable life skills, coaches work with youth to teach good marksmanship, the safe and responsible use of firearms, conservation ethics, and more.

The workshop is conducted by nationally certified instructors and provides in-depth training on working with youth through the shooting sports program. Coaches can become certified in Archery, Shotgun, Pistol, or Rifle.
