NOTICE!
Current Pricing and Information for Fertile Egg Orders from Texas A&M Poultry Science Department

To place an order for fertile eggs, please complete and submit the online form located at:  http://agrilifeweb.tamu.edu/poultryforms/egg-order/

Eggs are sold in dozen and half dozen quantities only with a 2 dozen minimum order.
Eggs are $7.00 per dozen with a $3.00 handling fee per order plus shipping.

Shipping within the State of Texas:
Eggs are shipped via Greyhound Bus Lines to the nearest bus terminal. Please check with Greyhound for shipping times between College Station, Texas and your destination OR we can ship using a major courier with your account number.

If you have any problems, questions concerning an egg order, delivery of fertile eggs or supply, please contact the TAMU Poultry Science Department at the website above.
