Attention: Recordbook Participants & Families

On August 10, we will roll out the red carpet to honor over 100 youth for their accomplishments and service in the ‘11-’12 year. This special event is the highlight of the year and every 4-H family is invited to share in the festivities.

Please pack your camera and plan to join us for a potluck dinner as we share this special night with our youth.

Please RSVP to Nanci at 817-884-1291 or nfswindle@ag.tamu.edu to let us know how many people to expect.

County Council & Adult Leader Meetings

The 4-H Youth County Council meetings are open to 4-H members age 9 and older. Meetings provide opportunities for youth to meet, share ideas, plan, and implement activities with other youth throughout the county. Each club is encouraged to send 2—3 representatives to each meeting. Club representatives typically include the President and 1—2 Council Delegates.

The next County Council Meeting will be Monday, August 27, 2012, at 6:30 p.m.

Likewise, the Adult Leader Association meetings provide an opportunity for adult volunteers to meet, discuss ideas, and plan and implement activities that support the youth of the county. Each club is encouraged to send up to 3 adults to serve as voting representatives. Contact the office for additional details and meeting dates.

4-H Awards Banquet

Banquet Volunteers

We will need volunteers to help with the 4-H Awards Banquet. The jobs are varied: bringing food, set-up, decorating, clean-up, serving, seating honored guests and checking in guests. If you can help with any of these please contact Dale Tilton at 817-297-0567 or by e-mail at cdtiitunes@peoplepc.com.

4-H Enrollment for 2012-2013

It is that time again, time to re-enroll for the upcoming 2012-2013 4-H year. All youth and adults must go online to their existing profiles on 4-H Connect and edit their profile and make updates and submit their enrollment for the coming year. All current 4-H enrollments will become inactive at the end of the 4-H year.

Starting August 15th you may re-enroll for the 2012-2013 year, the price will be $20 per member until October and then the price will go up to $25 per member. So if you want to save some money early enrollment is the way to go.

Enrollment fees can only be paid by debit or credit card or e-check. Do not choose 4-H check as your option unless your club is paying for your enrollment fees. All clubs who plan on paying for their members fees must contact the county office to let us know that they will be handling their enrolments fees for their members. If a club chooses that option they will need to cut a check from their club account. No personal checks will be accepted. If they don’t have a club account then they may use a money order as an alternative option. All enrollment fee checks must be made payable to Texas 4-H Youth Foundation. This is for enrollment fees only.

All adults who enroll must also have a current background check. Your background check will be valid for three years. If your background check has expired you will need to get another one before your profile will be activated. To get that process started you will need to send in a check for $10 per adult with payment made out to Texas AgriLife Extension Account 255003. This is for adult background checks only.

Leadership

The 4-H program provides many opportunities for youth to develop leadership skills. While some youth feel comfortable leading large groups of people by serving as an officer or leading a project or event, other youth prefer to work with small groups or behind the scenes preparations.

One of the great goals of a 4-H member is to participate in at least one leadership activity per year. Throughout the year, youth have been involved in a wide variety of leadership activities. Others may be waiting for “the perfect opportunity”.

Now is the time to step forward. You can decide on the type of leadership.

- Decide on the type of leadership.
- Would you like to promote?
- Would you like to serve on a committee?
- Would you like to educate?
- Would you like to plan a service project & recruit volunteers?
- Decide on the topic or goals for the activity.
- Consult with an adult.

For those who want to take that step into leadership, but still feel a little uncomfortable or shy, please contact CPBryant@ag.tamu.edu for ideas. There are opportunities for everyone.

4-H is amazing!
It is that time again, time to think about how many lamb & goat tags you will need for the upcoming year. There have been quite a few changes this year.

One major note to be aware of is that all lambs and goats validated for the 2012 State Fair of Texas will have to be re-validated for the 2013 winter/spring major shows.

The form is due back in our office on August 22, 2012. Please make sure you fill out the form completely and write legibly so we can read your contact information. The cost per tag is $10 for lamb & goat and $4 for breeding sheep. Make all checks payable to ELEC and mail to Texas AgriLife Extension Service, Tarrant County 4-H, PO Box 1540, Fort Worth, Texas 76101. Payment must accompany order. There will be a late charge for all late orders and all late orders must be approved through Ken Johnson.

Please contact Ken Johnson at kdjohnson@tamu.edu or call at 817-884-1946 if you have any questions regarding the State Lamb & Goat validation process.

Go to the 4-H web page and click on Current Events to download the order form. Please pay attention to all the notes in red.

**Fall Stock Show Entry Day**

It is important that you come on the specified day as each show has deadlines and we have to get checks issued. If you cannot make that day, call IN ADVANCE, and we’ll try to work with you. After the date we cannot guarantee that you will be entered. Call Ken Johnson at 817-884-1946 or email at kdjohnson@tamu.edu. Each show also has a website with information you can get before you come to the office to speed up the process.
