County Council & Adult Leader Meetings

The 4-H Youth County Council meetings are open to 4-H members age 9 and older. Meetings provide opportunities for youth to meet, share ideas, plan, and implement activities with other youth throughout the county. Each club is encouraged to send 2—3 representatives to each meeting. Club representatives typically include the President and 1—2 Council Delegates.

The next County Council Meeting will be **Monday, January 28, 2013**, at 6:30 p.m.

Likewise, the Adult Leader Association meetings provide an opportunity for adult volunteers to meet, discuss ideas, and plan and implement activities that support the youth of the county. Each club is encouraged to send up to 3 adults to serve as voting representatives. The next Adult Leader Meeting will be on **Monday, January 28, 2013** at 7:15 p.m.

Fort Worth Stock Show Parade

Parade is the traditional kick-off to the Fort Worth Stock Show. This year’s event will be **Saturday, January 19**, in downtown Fort Worth. All 4-H Youth and adults are invited to join in the parade. We will meet in the Plaza Building (Extension office) lobby at 9:45 a.m. If you are interested, please complete and return the “Release” form (located on the 4-H website) to the Tarrant County 4-H office. Fax form to 817-884-1941 or scan and e-mail to the 4-H office.

Dog Project Certification

The certification process will change some this year. Dogs will be certified on 4-H CONNECT. The form will help you collect the information to post to 4-H CONNECT yourself or provide the hardcopy to Cindy Bryant by **January 10th**. You will need a photo of each side of the dog and a copy of the registration papers if it is registered. If you are going to submit to 4-H CONNECT yourself, you will need these items in a digital format. Hopefully by the time you get this form completed and attachments gathered, detailed instructions will be available.

The first page is the Dog Certification Form designed to be completed one per family. If the dog is registered, a copy of the registration form and a clear photo of each side of the dog should be attached to this page. If the dog is not registered, the second page will need to be completed with photographs of the dog. One Non Registered/Non-Purebred.

The form is online on the Current Events page.
Fashion Show Training

The Clothing & Textiles project is one which encompasses a wide variety of interests and skills. As a basic necessity of life, it is important that youth learn how to select and care for their clothes properly. While some youth focus on wise consumerism, others choose to develop skills in clothing construction and/or design.

Each spring, several opportunities are provided for youth to demonstrate their skills and interests.

To learn more, plan to attend the Clothing Project & Fashion Show Training on January 8 at 6:30 p.m. at the Extension office.

There is no fee to attend the event, but pre-registration is required.

Please R.S.V.P. to nfswindle@ag.tamu.edu

Educational Presentation Contest

The Educational Presentations contest provides an opportunity for youth to select a topic of interest, research, and prepare a brief educational presentation. Topics may relate to projects, hobbies, or special interests. Youth may choose to demonstrate “how to” or they may choose to present information using other visuals or props. Presentations may be made by individuals or age-division teams. This is an excellent opportunity for youth to practice their public speaking skills in a supportive, non-threatening environment.

Youth may choose to present on February 25 or to submit a DVD of the presentation.

Entry forms (available on the website) are due to the 4-H office by February 4.

4-H Opportunity Scholarship

Texas 4-H and Youth Development Program Opportunity Scholarships are ACADEMIC SCHOLARSHIPS awarded each year to applicants based on their academic record, 4-H experience, and financial need (for scholarships for which it is a required criterion).

The Texas 4-H and Youth Development Opportunity Scholarship Program is conducted in coordination with the Texas 4-H and Youth Development Program, the Texas 4-H Youth Development Foundation, and Texas A&M AgriLife Extension Service. All applications must be submitted to Cindy Bryant by January 29, 2013.

Approximately 225 academically-competitive scholarships will be awarded in the 2013 Texas 4-H Scholarship Program ranging in amounts from $1000 to $18,000 (amount established by donor). No scholarship recipient whose award is based on this application process will receive less than $1000 (may require receiving a combination of scholarships totaling $1000). The Texas 4-H Foundation seeks to ensure that each recipient receives the highest dollar amount of scholarship for which that recipient is eligible. For the majority of the total scholarships and scholarship funds available, participation in a livestock show is not a requirement for consideration for an Opportunity Scholarship.

Please contact Cindy Bryant at CPBryant@ag.tamu.edu if you have any questions regarding the Scholarship.

New Year’s Reflections

Looking back on the months gone by,
As a new year starts and an old one ends,
We contemplate what brought us joy,
And we think of our loved ones and our friends.
Recalling all the happy times,
Remembering how they enriched our lives,
We reflect upon who really counts,
As the fresh and bright new year arrives.
And when we ponder those who do,
We immediately think of you.
Thanks for being one of the reasons We’ll have a Happy New Year!

Happy New Year

Cheers
