County Council & Adult Leader Meetings

The 4-H Youth County Council meetings are open to 4-H members age 9 and older. Meetings provide opportunities for youth to meet, share ideas, plan, and implement activities with other youth throughout the county. Each club is encouraged to send 2—3 representatives to each meeting. Club representatives typically include the President and 1—2 Council Delegates.

Likewise, the Adult Leader Association meetings provide an opportunity for adult volunteers to meet, discuss ideas, and plan and implement activities that support the youth of the county. Each club is encouraged to send up to 3 adults to serve as voting representatives. Contact the office for additional details and meeting dates.

The next County Council Meeting will be Monday, August 22, 2011, at 7:00 p.m.

Parking Changes for the Extension Office

In order to comply with the Tarrant County parking policy our office will no longer be able to validate all parking on the surface lot adjacent to the Tarrant County Plaza building, in which the 4-H office is located.

Our office will continue to validate parking for those serving in a volunteer capacity between the hours of 7:00 am-6:00 pm. During those hours, the policy permits validation only for volunteers serving in a volunteer capacity which promotes the mission of the county.

This definition would include volunteers who are attending volunteer training, judging, serving on committees, submitting paperwork or dropping off/picking up items such as checks, awards, etc. for only their family.

The parking policy for visitors after 6:00 p.m. currently remains unchanged. The parking entrance gate will be opened at 6:00 p.m. The parking exit gate will be opened at 6:30 p.m.

Parking meters are available on streets around and adjacent to the building.

County Awards Banquet

Don’t forget to mark your calendars and save the date of Friday, August 12, for this year’s County Award Banquet. This is a fun family event which recognizes the youth throughout the county for their record book achievements and service during the year. The event will be conducted at the Resource Connection, located at 2300 Circle Drive, in Fort Worth.

Often, a member who has never won first place but has consistently done a good job and placed well, will have completed the most outstanding project. Remember, aspects of learning, teaching others, leadership, and personal growth are important too.

A completed record book or 4-H memory book and an application are required to apply for these awards.

- Gold Star (Sr.’s only)
- Danforth (Sr.’s only)
- 4-H Letterman (Sr.’s only)
- 4-H Honor Roll

Adult Leader Scholarships

Attention: High School Juniors & Seniors

The Tarrant 4-H Adult Leaders Association plans to award the following scholarships this year. The purpose of the scholarships is to award Tarrant County 4-H members for outstanding participation in 4-H activities.

The Mark Green Memorial Scholarship was established in 2008, for the purpose of helping the youth of Tarrant County 4-H who have established themselves as avid 4-H members. Mark was an ardent 4-H participant from the time he was a youth. He resonated the values he instilled in the youth of 4-H.

The Millie Hurst Memorial Scholarship was endowed in 1993 for the purpose of helping those youth “who do the most work in the 4-H program.” Millie was an active leader who encouraged youth to actively pursue their goals.

The application and eligibility requirements are posted to the website, under “Current Events”.

The application deadline has been extended to June 14 at 5:00 p.m. All applications must be received in the 4-H office by that time.
County 4-H Awards Overview

Summer Camp Opportunities 2011

The Texas 4-H Center, located on beautiful Lake Brownwood, provides children with the chance to develop character, learn valuable life skills, make new friends, and discover new interests. Finding the right camp for your child is as important as helping them find the right college! Annually, five or more sessions are offered each summer for youth ages 9 to age 18, 4-H membership is NOT required for most camps. The 4-H Center is accredited by American Camp Association.

Specialty camps include the normal camp activities, such as team building, swimming, kayaking/canoeing, etc. but also include experiences in specialty areas. Starting with the next few articles are a few of the specialty camps offered for the summer of 2011.

Mission Possible

This is an Inclusive Camp, created to promote an environment for all youth. It is specially designed for youth (ages 9-21) with a variety of special needs including, but not limited to, autism, cerebral palsy, Down syndrome, intellectual disabilities, visual impairments, and hearing impairments. Campers are able to enjoy nature while participating in fun activities.

Chef at Camp

This camp is perfect for those foodies who want to enhance their skills while exploring new opportunities. Campers will be able to tape their own cooking show and participate in a Chef’s Food Challenge. Subject focus topics include: Kitchen Safety and Breads, All About Desserts, Get Your Fruits & Veggies, 4-H Healthy Lifestyles, and Manners and Etiquette.

Prime Time
Bits, Bytes, & Bots
As the name indicates, the focus of this camp is geared on technology. In addition to the traditional camp activities, campers may participate in activities such as robotics, stop motion animation, and video game creation.

SpecTra
The objective of SpecTra is for youth to enhance project knowledge, explore careers, expand leadership skills, and strengthen their confidence. Evenings are dedicated to college and/or workforce preparation. It is about “life after high school”! Campers select one of the following as their project area of focus for the camp: Culinary Arts, Entomology, Creative Leadership, Meat Science, Speaking Your Way to Success, or Global and Cultural Education.

Camp Registering
The Texas 4-H Conference Center offers a variety of opportunities geared towards all ages and interests of youth.....general camps, specialty camps, and more! There truly is something for everyone!

Additional information on camp opportunities and registration dates can be located on their website: http://texas4hcenter.tamu.edu/

State 4-H Golf Challenge
The Texas 4-H and Youth Development Program is pleased to announce the Texas 4-H Golf Challenge. The Texas 4-H Golf Challenge was developed by county Extension agents, 4-H Specialists, and others to provide youth the opportunity to compete in an outdoor sporting event. While competing, youth also have the opportunity to gain invaluable knowledge in the areas of sports nutrition, golf course and turf grass management, and the rules and etiquette of golf.

The Southern Region Golf Challenge will take place on June-20-21, 2011 in College Station, Texas, registration ends on June 6th.

2011-2012 Membership Update
The Administrators of Texas AgriLife Extension Service have announced a Partial Cost Recovery Initiative. Faced with upcoming budget reductions, the purpose of the cost recovery effort is to help sustain the agency’s program delivery capacity.

As part of the initiative, they have decided to assess an annual 4-H membership fee for all youth club members.

Beginning with the Fall enrollment, each youth member (except Clover Kids) will be assessed a $25 fee. (There will be a $5 discount for enrollments that are processed before Oct. 31.)

Families who anticipate needing financial assistance with this fee are encouraged to contact Cindy Bryant at the 4-H office.
