Can We Count on You??

Our club is looking ahead to next year with lots of new leadership possibilities. We will elect new officers, name committees, and involve EVERY MEMBER in the ongoing success of our club. Also, whole families will be working together to assure that we become the best that we can be. There are many untapped opportunities at the club level, but also in county events and competitions, and then district and state events. As we increase our involvement, we become better leaders for the future.

Movie Night May 16th

Our Club’s Second Annual Movie Night will feature the movie, WALL-E, at MUMC. Members will bring snacks.

Awards/Achievement Night—May 28th

This is our night to shine. We’ll bring a pot luck supper and display awards/achievements accomplished during the year. These can include awards earned at school or in other areas.

RED NOSE

Have you heard of “Red Nose Day”? Buy a red nose for $1.00, and that goes into a program sponsored by Walgreen Stores to help children who are in poverty. We plan to have 50 red noses at our meeting, and we’ll pose for our group picture wearing the red noses that we can purchase that night. If you can, please bring a $1.00 for your red nose, or if you already have one, bring it.
