Educational programs of Texas AgriLife Extension Service are open to all people without regard to race, color, sex, disability, religion, age or natural origin. The Texas A&M University System, U. S. Department of Agriculture, and the County Commissioners Courts of Texas cooperating.
County Council & Adult Leader Meetings

The 4-H Youth County Council meetings are open to 4-H members age 9 and older. Meetings provide opportunities for youth to meet, share ideas, plan, and implement activities with other youth throughout the county. Each club is encouraged to send 2—3 representatives to each meeting. Club representatives typically include the President and 1—2 Council Delegates.

The youth have voted to meet on a monthly basis on the 4th Monday evenings.

The next County Council Meeting will be Monday, September 26, 2011, at 7:00 p.m.

Likewise, the Adult Leader Association meetings provide an opportunity for adult volunteers to meet, discuss ideas, and plan and implement activities that support the youth of the county. Each club is encouraged to send up to 3 adults to serve as voting representatives. The next meeting scheduled for Adult Leaders is on September 26, 2011 at 7:00 p.m.

2011-2012...An Exciting New 4-H Year

As we look forward to the beginning of the new 4-H year, there is a lot of excitement as we anticipate the possibilities. Tarrant County is very fortunate to have such amazing youth who are eager to learn, lead, and serve their communities. We are equally fortunate to have wonderful adults who generously volunteer their time to support the children and provide opportunities for them to develop their talents and experience success.

In the upcoming year we will find a few changes.

- Photography contest date is earlier. Please refer to the calendar for any contest dates & details.
- Recordbooks - Additional information & training will be provided when completed details are received
- 4-H Participation fee is due upon enrollment. Local sponsorships are available for youth who need financial assistance with the fee. Please submit the request form as soon as possible.
- Livestock participants who plan to show in major shows must complete the online Quality Counts curriculum and pass the verification test
- County Council youth have voted to conduct meetings on a monthly basis (4th Monday @ 7 pm)
- New opportunities for science-related projects
- New county government curriculum available for checkout — “Keys to the Courthouse”

The CloverLeaf newsletter will continue to be a source of information and Cheers recognition for youth activities. In an effort to provide the most up-to-date information possible, we will continue to utilize electronic format distribution methods. Therefore, it is important that each family provide a valid email address which is checked on a regular basis. Each registered family and Club Manager will receive the newsletter via e-mail. In addition a copy is posted online for reference.

I wish each of you a great year. Please feel free to contact our office anytime.

Cindy
Trinity Trash Bash

Join us for the 20th Annual Trinity River Trash Bash on Saturday, September 17 from 8:30 to 11:30 a.m.

Groups, families and individuals can choose any one of the six sections listed in the registration form as a cleanup section. New sections have been added this year, so check out the location map.

All volunteers are invited to the after party at the Panther Island Pavilion (located behind the TCC/RadioShack campus), from 11:30 a.m. to 1:00 p.m. with free food, door prizes and entertainment by Radio Disney AM 620. Register by September 2nd and receive a FREE T-shirt.

Packets will be available to volunteers for early pickup on Thursday, September 15th or Friday, September 16th from 8:00 a.m. to 5:00 p.m. at the Trinity River Vision Education Center located at 307 W. 7th Street in Downtown Fort Worth. All participants must print and sign the Liability Release Form found in the link below. Please bring all completed liability forms to the TRV Education Center for early pick up to get your packet which will include Trash Bash instructions and T-shirts for all registered participants. Any packets that are not picked up on Thursday or Friday will be available at your designated clean up location the day of the event, Saturday, September 17th.

See you in September!

For more information & the liability form go to http://www.trwd.com/trinitytrashbash.aspx

One Day Service Event

October 8, 2011 will be another great day for the Texas 4-H and Youth Development Program, as that is the date for the 2nd Annual One Day 4-H event throughout our state.

One day 4-H is one day for all the 4-H members, parents, leaders, and volunteers to step out into their communities and county and say "thank you" by giving back for them more than 103 years of support to 4-H in Texas. This day of community service is what ever each 4-H members, club, or county 4-H Program wants it to be. It could be as simple as picking up trash and mowing the lawn for senior citizens to elaborate as hosting a 5K Walk/Run and raising money for a cause.

Check out the State 4-H website at http://texas4-h.tamu.edu/oneday/index.php for ways that you can participate.

Gold Star Banquet

The Gold Star Award is the highest county achievement award that a 4-H member can receive. Not only do the recipients excel in project work, but they also exemplify the positive character traits for which the 4-H program is known. This year, three members were selected to receive this honor.

Kate Atwood

Megan Maynard

Sara Titus

These members will be honored at the District IV 4-H Gold Star Banquet on October 18 at the TAMU Commerce campus.

Additionally, one local 4-H volunteer will be recognized for her service and support of the 4-H program. This year’s recipient is:

Stephanie Scevers

Please join us in congratulating these outstanding youth and adult.

A TRIBUTE TO VOLUNTEERS
--(Author Unknown)

V aluable is the work you do,
O utstanding in how you always come through.
L oyal, sincere and full of good cheer,
U ntiring in your efforts throughout the year.
N otably are the contributions you make,
T rustworthy in every project you take.
E ager to reach your every goal,
E ffective in the way you fulfill your role.
R eady with a smile like a shining star,
S pecial and wonderful - that’s what you are!

Because You're Special
--(Author Unknown)

We sometimes take for granted
In the rush of all we do,
And forget to say a special thanks
To volunteers like you!

So we send this note to tell you
How much all you do means,
Your gifts of time and of yourself
Are special ones indeed.

Oh Autumn how we long for your cool crisp days!

Cheers for Autumn
September 23, 2011
Food Challenge Contest

The 4-H Food challenge is another way 4-H members can exhibit the knowledge and skills they gain in the 4-H Foods & Nutrition Project. The Food Challenge is modeled after competitions such as the Food Network’s Iron Chef. Teams create dishes using only a predetermined number and amount of ingredients. From these ingredients team members must develop a recipe and prepare the dish. Teams then make a presentation to a judging panel, explaining the preparation steps, serving size, nutritional value, and cost of the dish.

Teams must provide their own equipment, as specified in the Food Challenge guidelines. At the start of the contest, each team is given a set of ingredients and a clue to help them determine what dish to prepare. Each set of ingredients is based on a recipe that fits one of the following categories: main dish, fruit and vegetable, bread and cereal, nutritious snacks. Teams are randomly assigned to a category, which is announced at the start of the contest. In addition to preparing the recipe, team members must also research the nutrients in the dish, determine the benefits of these nutrients, and analyze the cost of the dish. Teams have 40 minutes to do this.

Teams then make presentations to the judges. At least three team members must have speaking roles in the presentation. Judges may also ask questions of the team members.

Our Tarrant County Food Show Challenge will be conducted at TCU on Saturday, November 5th. The entry forms are due October 7th. Cost is $12 per team. More information and entry forms will be coming soon to the Tarrant County 4-H website.

County Photography Contest

Photography encourages communication through visual media. With growing popularity of the project, additional classes have been added to this year’s contest. Photo entries are due at the 4-H office by November 7, 2011.

2011 Classes:
- People
- Animals/Wildlife
- Animals/Domestic
- Marine/Aquatic
- Elements of Design
- Nature/Landscape
- Nature/Landscape
- Details & Macro
- Digital Darkroom
- Theme (TBA)
- Night Photography
- Food
- Dominant Color
- Catch All

Basic Rules:
- All photos must have been taken since June 12, 2011
- Limit: 1 entry per class
- Size: true 8 x 10, mounted on thin foam board or mount board
- Must be able to provide original digital format file upon request
- The 4-H office reserves the right to refuse inappropriate entries.
- Blue, red, and white quality awards will be based on score sheet criteria.
- Each entry must have completed label affixed to the center back of photo.

Please refer to the Tarrant County 4-H website for complete Rules and Forms coming soon.
**County Food Show Contest**

The Tarrant County 4-H Food Show, where members showcase their food & nutrition entries, provides a unique opportunity for youth. In this contest, members prepare a favorite dish, display it, and tell the judges about it.

This contest will be held **November 19, 2011** at the Extension office from 9:30-1:30 p.m. Entries are due to the 4-H office by **November 7, 2011**.

Entry forms will be posted soon on the Extension 4-H website under Current Events.

---

**Quiz Bowl Contests**

4-H Quiz Bowl contests help members enhance and demonstrate their knowledge and skills in a competitive setting while practicing teamwork. Team members learn critical-thinking abilities, develop poise, and learn to express themselves concisely.

Each Quiz Bowl team consists of 3 – 4 members from the same age division. During the contest, two teams compete against each other, answering questions on subject matter topics. Three types of questions may be involved: individual, toss-up, and bonus. In the toss-up round, the moderator asks a question and members “buzz in” when they know the answer. The first person to press the buzzer has the opportunity to answer the question. At the end of the contest, the team with the highest score is announced as the winner.

4-H has a variety of quiz bowl contest opportunities from which members may choose. Examples include: Nutrition Quiz Bowl; Horse Quiz Bowl; or Beef Quiz Bowl. The district contests are on the same day, so youth must select the one team on which they would like to participate.

**Nutrition Quiz Bowl:** The Nutrition Quiz Bowl helps participants increase their knowledge of basic nutrition, consumer information, food and kitchen safety, food preparation skills and storage, and nutrition and health.

**Horse Quiz Bowl:** The Horse Quiz Bowl helps members increase their knowledge of basic care, nutrition, safety, anatomy & physiology, showing, etc.

Tarrant County teams will be forming soon. If you are interested in either of these opportunities, speak with your club manager. If there are not enough youth (of the same age division) to form a club team, contact the 4-H office to see if there is a county-wide team forming. Meanwhile, begin studying.

Additional information may be found on the website. The registration deadline for the district contest is early November. The actual contest will be in Commerce on **December 3**.
**Consumer Decision Making**

The Consumer Decision Making Contest is a competitive event that enables 4-H’ers to practice making decisions based on information about a situation and four available marketplace options. This contest is an opportunity to practice marketplace knowledge and skills and to compare personal decisions with the decisions from a panel of judges who are knowledgeable about today's marketplace and its various goods and services.

There are two parts to the Consumer Decision Making Contest. The first part is to place or rank-order the options. There will be four articles or options of one kind to rank. This group of items is called a class. Study guides will be available at [http://fcs.tamu.edu/money/your_money/cdm/index.php](http://fcs.tamu.edu/money/your_money/cdm/index.php). These study guides will provide research and factual information about the classes.

For each class, a buying problem or situation is presented. Contestants assume the role of consumers in the situation. Contestants will base their decision on information learned through the study guides, their participation in the 4-H Consumer Life Skills Project, and other background knowledge and consumer experiences.

One product in each class will best meet the consumer needs described or assumed by the situation statement; another product will be almost as desirable, and the other two will meet the standards to a lesser degree. Ranking four items in order, according to how well they meet the situation, is called placing.

The second part of the contest will have individual contestants explain why they decided on a certain placing. This is called giving oral reasons.

The District CDM contest will be on December 3, 2011 at TAMU in Commerce.

For more information regarding this

---

**Contest Eligibility Forms Why Do We Need One?**

Many members new to 4-H are unfamiliar with the eligibility form. For each contest that 4-H has during the school year 4-H members must turn in an eligibility form. This form is taken to the member’s school for the principal to sign. The form serves two purposes. Its main objective is to show that the member has passing grades and is eligible to participate in extracurricular activities. The form also assists in requesting an excused absence for competitions. Please remember that school policies for granting excused absences may vary among districts.

These forms must be turned in by public, private and home school members. The forms are due no earlier than one week prior to the event.
**Parliamentary Procedure Workshop**

Want to know how a meeting should flow? Intimidated by Parliamentary Procedure? Come for a one hour quick presentation and learning workshop presented by the Tarrant County Leaders 4 Life Team.

The workshop will be held Saturday, September 24th at 2:00 p.m. at Brewer Alternative Campus, 8041 Gibbs, White Settlement, 76108.

Please RSVP your reservation by September 20th. If you have questions, please email rwatkins@wisd.net or call 817-994-3656 (Regina Watkins).

**Growing Your Horticulture Project Workshop**

Laura Miller, Tarrant County Extension Agent in Horticulture, will be presenting a workshop for 4-H youth and parents on 11/3/2011 @ 7:00 p.m. Participants will learn plant characteristics and needs, as well as how to select plants appropriate for containerized projects.

4-H youth participants who RSVP by the deadline will receive potting soil, courtesy of Scotts Miracle Gro. Please RSVP to 817-884-1291 or nfswindle@ag.tamu.edu no later than October 30.
Livestock Project Registration

You must have a current Livestock Project Sheet on file at the 4-H office in order for you to participate in 4-H Livestock activities. Livestock Project Sheets must be renewed each year just as your member enrollment form. You can find a live-stock project sheet on the 4-H website under Current Events. The Livestock Project Sheet is due for renewing members on October 3, 2011. For new members the form is due when you enroll in 4-H and get a project.

State Swine Validation
Tag Orders

It is once again time to order State Swine Tags. The orders are due to the 4-H office on September 23, 2011. Payment needs to be made payable to ELEC and must accompany your order. No phone or fax orders will be accepted.

The order form can be found at the Tarrant County 4-H website under Current Events.

State Lamb & Goat Validation

Validation will occur on October 25, 2011 from 3-6 pm at the Crowley Ag Barn. If you have any questions please contact Ken Johnson at 817-884-1946 or by e-mail at Kd-Johnson@tamu.edu
Texas State Rabbit Contest

The Texas Rabbit Extravaganza on November 19 at the Coryell County Activities Center in Gatesville, Texas is a state wide competition open to enrolled, Texas 4-H members of official 4-H age. Rabbits are judged and placed based on a universally accepted Standard of Perfection. This will not be an A.R.B.A. nor a T.R.B.A. sanctioned show, but all rules will pertain to judging rabbits. There will be a special section for Clover Kids to participate in Rabbit Art, Best Dressed Rabbit and Rabbit Photo. Clover Kids will register the same and all costs will be the same as regular 4-H’ers.

All entries must be submitted through 4-H Connect, registration will be open from October 1 - October 28, 2011. The cost is $10 per youth, rabbits are $3.25 per entry (meat pen of 3 is ONE entry), Special Events is $1.50 per entry.

For more information go to the Tarrant County 4-H Home page and click on Current Events.

Important 4-H Livestock News

Starting in 2012, Quality Counts verification will be required for all 4-H and FFA members exhibiting livestock-market and/or breeding animals at major livestock shows in Texas.

The shows that will require the verification in 2012 are Fort Worth, San Antonio, Houston, Star of Texas in Austin, San Angelo, Sandhills in Odessa, State Fair and Heart O’ Texas Fair in Waco.

The verification process requires that an exhibitor pass an online test that measures their knowledge on quality assurance and character education items. Online learning modules and the verification test are available at http://qualitycounts.tamu.edu.

Upon passing the verification test the youth exhibitor will be given a unique verification number. This number is required at the time when making an official entry into a Texas major stock show for 2012. So beginning with the livestock entry day in November if you plan to enter any of the major spring shows you must have been verified and received a number.

If you have any questions please call or e-mail Ken Johnson at 817-884-1946 or kd-johnson@tamu.edu

State Fair of Texas

Mark your calendars for Tuesday, October 11, 2011 for the 3rd annual Ag Awareness Day event! Although specific events are in the early planning stages, we will once again be hosting a food drive and a new AgriQuest competition!

Last year's event was a record-breaker in both attendance and pounds of food collected. 2011 marks the 125th Anniversary of the State Fair of Texas - imagine the impact if each and every club/chapter attending brought at least 125 pounds of food and 125 youth attendees! The results would be astounding!

We look forward to seeing each and every one of you at Agriculture Awareness Day, Tuesday, October 11, 2011!
To maintain the level of programming and opportunities in the Texas 4-H and Youth Development Program, Texas AgriLife Extension Services has implemented an annual participant fee for each 4-H youth member. The participant fee is $25, or $20 if enrolled from September 1st to October 31st. (Clover Kids are exempt from this fee.)

Tarrant County 4-H and local donors have a strong desire to provide opportunities for interested youth and have secured a limited number of sponsorships for youth who may have difficulty with the fee at this time. Families with children who need sponsorships in order to participate in the program are encouraged to submit the request as soon as possible.

At this time, the 4-H participation fee creates a challenge for our family and I submit this request for a sponsorship to cover partial or entire fee for the following youth.
