TOPIC SUBJECT

Subjects in educational presentations should address emerging or current issues in each of the contest areas. Some contests provide a suggested list of topics that the presentation can cover, along with a resource list, that is available in the Texas 4-H Roundup Guide. Contestants are encouraged to research these emerging and/or current issues to develop current and new presentations.

ACCURACY OF INFORMATION/RESOURCES

When the internet is used in preparation of an education presentation, it is important that 4-H members must know the difference between research and non-research based information. Contestants are required to use information that is factual and can be supported through adequate documentation. Examples of such websites are federal, state, and local governments, independent research sites, and Texas AgriLife Extension Service websites. Internet information that is questionable includes personal documentation sites, chat rooms, message boards, etc. 4-H members should prepare a list of references (i.e. bibliography, references) for their presentation.

SUBJECT MATTER

The skills and knowledge used in any 4-H contest should be the result of experiences in a project in which the member has participated. A presentation should relate to the contest entered, should contain information and should not be more suited for another contest. It should be appropriate for the 4-H member’s age and experience. Appropriate credit should be given for references used.

TIME LIMITS

A time limit of 12 minutes will be allowed for each educational presentation. An additional nine (9) minutes will be provided for on-stage arrangements and cleanup in connection with the presentation. A penalty of two points per minute, or partial minute, overtime will be deducted from the final score. Adults are permitted to assist the 4-H members with the on-stage arrangements and cleanup.

Video and audio equipment includes: computers, video projectors, extension cords, viewing screens, compact disc players, easels, etc. Adults are allowed to assist with the set-up of computer equipment (i.e. setting up computer, screen, extension cords, etc.) and must remain in the nine (9) minutes time requirement for set-up and take-down.

FOR STATE: Laptops, screens, extension cords and projectors will be provided.

JUDGES’ QUESTIONS

Gifts of any kind may not be presented to the judges in any contest. Handouts may be available to the entire audience.

SCORECARDS

Separate scorecards are used in the Public Speaking and Share-the-Fun Contests. All scoresheets are available on the Texas 4-H and Youth Development publication website.
PUBLIC SPEAKING CONTEST GUIDELINES

Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.

- **SOLO/BAND PERFORMANCE** – 1 to 9 participants. All 4-H members entered in the category must be a part of the act by playing a musical instrument, singing or both (solo performance must play an instrument and sing). Participants MUST incorporate singing in the acts, but cannot incorporate skits, poetry, or prose. They may, however, move around the stage and incorporate choreography with their presentation for the purpose of enhancing their showmanship. The act requires choreography and can be demonstrated through twirling, pom pom squad routines, jump rope teams, basketball dribbling exhibitions, or dance (jazz, tap, country & western, ballroom, etc.). Sign language presentations to music have been added to choreographed routines. However, if a participant is SINGING and SIGNING, this entry should be entered in the Vocal Category. All 4-H members entered in the category must be a part of the act. **Acts may use taped music on CD or cassette tape but may not use an accompanist.** Judged on material chosen, talent, uniformity, creativity, showmanship, costuming. Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.

- **CELEBRATE 4-H** – 1 to 9 participants. May be a 4-H based story line, promoting 4-H, community service, a project or activity. **This category may also address a specific youth issue and present ways in which this issue can be addressed through 4-H efforts.** May incorporate music, vocal selections, and/or choreographed routines but these aspects cannot be more than half of the performance. Skits can be humorous, creative and make fun of but not degrade Extension employees or the 4-H program. All 4-H members entered in the category must be a part of the act. Judged on material chosen, talent, creativity, showmanship, costumes and props. Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.
All quiz bowl contests may be played as a single or double elimination tournament (based on the number of teams entered). If there are not significant teams registered for the district contest (i.e. only one Junior and one Senior team), the teams will still be required to participate in the bowl contest.
