

Youth Garden Educator Training

- **Educational** Resources
 - **Gardening** Experts
 - **Continuing** Education Credits
 - **Engaging** Presentations
 - **Garden Starter Kit** for Classroom Garden
- Participants (includes: seeds, plants, fertilizer)

The Youth Garden Educator Training is designed for teachers, educators, and volunteers in support of youth gardening in the classroom and community. Breakout sessions will be conducted with different garden topics for you to choose from. With registration, teachers/volunteers must provide a Group Enrollment Form per school to enroll their students in the Classroom Gardens Program. A Garden Starter Kit will be distributed to youth gardens that have submitted a Group Enrollment Form (one Garden Starter Kit is given per school/institution).
