

JEANS CLASS

Robert is looking to buy a new pair of fashion forward blue jeans for an outdoor wedding. He also shows rabbits and wants to keep them nice for the 2015 district, state and national rabbits shows.

Since these jeans will be kept for special events, he prefers a dark wash over medium wash and fancy embroidery on the back pockets. If he has a budget of \$75.00, what is the best purchase?

Dark Stonewash

Hand Sanding, Permanganate & Whiskers

Mid Rise

Slim Fit

Boot Cut

This dark stonewash Ian jean is made for the man who digs his denim. A slim fit jean, the Ian boasts an all-over permanganate brush, which gives this denim a won't-go-unnoticed character. Whiskers, hand sanding and new embroidery detail complement the finish's highs and lows. The pick-stitched pocket gets an update and heavy chord stitching set off the denim's striations with perfection.
