 Fashion Show

No one may change categories between District and State contests. However, participants competing at the County level may change categories between County and District as space and agent permits. Only one county entry per category per division is allowed at the District contest.

- Three minutes allowed for judging.
- Presentations will not be permitted during interview judging.
- No additional garments may be carried. All garments must be worn during the competition. However, props can be carried for the Fashion Show only (i.e. show stick, tennis racket, golf club, corsage, teddy bear). No props will be allowed during the judging process.
- All garments to be judged must have been purchased or constructed during participation in the current year's 4-H clothing project.
- Garments not fitting category description will be judged accordingly.
- There is one fashion show rehearsal for all contestants. They must be present.
- Natural Fibers is now a class just like construction or buying. A member may choose to only enter the Natural Fibers Contest or both the Natural Fibers Contest and the appropriate Construction or Buying division. A Natural Fiber contestant may be judged twice but will need to enter both contests.
- **Junior contestants are allowed to construct one complete outfit or one piece of an outfit.** Judges will ask Junior contestants what part of their outfit they made.
- **Intermediate and Senior contestants must construct all parts of their outfit.** Entries not meeting these requirements will be judged accordingly.
- It is **STRONGLY** recommended that the 4-Hers be present throughout the program.

TIES:

If ties occur, a judging team will break the tie before the fashion show begins.

The label **MUST** be legibly printed or typed and **MUST** be complete, including the answer to the Originality of Design question. The 4-H member should not put his/her name on the front.
