

## DISTRICT 8 4-H RIFLE MATCH

### *Contestant Information*

#### District Match Information

**Event Date:** Saturday, May 11, 2019

**Event Time:** *A more detailed shoot schedule will be distributed after receiving entries.*

- Target pick-up will begin in the scoring building approximately 30 minutes before the match begins.
- Contestants should check-in approximately 30 minutes before scheduled start time.
- The contestants scheduled for the afternoon should arrive approximately 1 hour before their scheduled shooting time in case relays run faster.
- The Competitive Rifle Match Shooting will begin at 8:00am. (Shooting times will be staggered)
- The Provisional Light Rifle Match will begin after the first round of the Competitive Rifle Match begins.

**Location:** Leon County Gun Club, Buffalo, Texas  
15295 County Road 224  
Oakwood, TX 75855  
*(See attached map and directions)*

**Entry Deadline:** All entries will be completed on 4-H Connect at <https://texas.4honline.com/>.

Contact your County Extension Agent for entry deadlines.  
<http://counties.agrilife.org/>

**Entry Fee:** \$10 per member per match

**Late Entries:** Late entries will be permitted with an additional:

- \$20 late fee per 4-H member up to 48 hours after the regular contest deadline.
- \$50 late fee per 4-H member after 48 hours and up to the time of check-in on-site at an event

**Accommodations:** If you have any participants requiring auxiliary aids or special accommodations, please let us know at the time entry materials are due.

**Concession Stand:** Leon County will be offering a concession stand again. We encourage you to support their concession stand!!

## DISTRICT 8 4-H RIFLE MATCH

### General Rules & Guidelines

#### 1. Texas 4-H Roundup Indoor Rifle Match Rules

The District 8 4-H Rifle Match will follow the Texas 4-H Roundup Indoor Rifle Match Rules. These rules are used with modifications for the District 8 4-H Rifle Match as stated below. The following rule set supersedes all other rules where differences exist. Any items not addressed in these District 8 Rules or the Texas 4-H Roundup Indoor Rifle Match Rules will be referenced to the NRA Smallbore Rifle Rules.

#### 2. Membership

Participants must be a bona fide 4-H member, currently enrolled in their respective county program.

#### 3. Age Divisions

There will be three (3) age divisions (Junior, Intermediate, and Senior) in the District 8 4-H Rifle Match as listed below. Age divisions are determined by a participant's grade as of August 31, 2018 as follows:

<u>Division</u>	<u>Grades</u>	
Junior	3*, 4, or 5	<i>*Must be at least 8 years old</i>
Intermediate	6, 7, or 8	
Senior	9, 10, 11, or 12*	<i>*Must not be older than 18 years old</i>

Only Senior aged members may advance to the state qualifying competition at Texas 4-H Roundup Indoor Rifle Match in June.

#### 4. Participation/Entries

4-H members must be certified by the County Extension Agent to participate at any District 4-H event.

All team members must be from the same county and within the same age division. Exception: Juniors may move up to the Intermediate age division when participating on a team that has a true Intermediate (based upon grades listed above) on it. No one may move up to the Senior age division. No individual may move down to a younger age division. Only Senior aged 4-H members may advance to the state competition at Texas 4-H Roundup Indoor Rifle Match.

There is no limit to the number of teams and/or individuals a county may enter per age division.

*Note.* A county can only have a maximum of 2 individual entries per age division. If there are 3 individuals wanting to participate in the same age division, they must be considered a team entry.

#### 5. Targets & Scoring

Fifty foot 3-position

Orion Indoor 50-foot rifle target. It is similar in design to the USA-50 (NRA-50) target. The scoring rings are equivalent to the ISSF 50m rifle target reduced to 50ft. This target can be viewed and ordered at the Orion website; (<http://www.orionscoringsystem.com/orion/Product.aspx?ProductID=4>).

Targets will be scored after each relay has completed the course of fire using the Orion Electronic Scoring System. Scoring will be accomplished in the scoring office. Targets will be scored by hand pending if deemed necessary by County Extension Agents in the scoring office.

**6. Course of Fire & Firing Positions**

4-H members will shoot from 50 feet as listed below:

Age Division	Position	Time	Number of shots	# of Targets	Shots per bull
Junior	Prone only	30 minutes	30 shots	3 targets	1 shot per bull
Intermediate	Prone, Stand, Kneel	45 minutes	30 shots	3 targets	1 shot per bull
Senior	Prone, Stand, Kneel	90 minutes	60 shots	6 targets	1 shot per bull

**7. Target Review**

Once all targets in an age division have been scored, checked, and entered into the scoring system, they will be set out for review. Targets will be available for review for 30 minutes. Intermediates and Seniors will be responsible for reviewing their own targets. One coach and/or parent may assist Juniors in reviewing their targets.

Any challenges to the target scores must be made by the 4-H member (or coach/parent along with a Junior 4-H member) before the targets are removed from the scoring office. If the challenge is correct, the score will be changed to reflect the successful challenge. If the challenge is incorrect, the score will remain as posted.

**8. Qualifying for state**

The top three (3) Senior teams are eligible to represent District 8 at the Texas 4-H Roundup Indoor Rifle Match. The top three (3) individuals (if they are not members of one of the state-qualifying teams) may advance to state as individuals only.

Senior Substitutions for Texas 4-H Roundup Indoor Rifle Match

District 8 will follow the substitution rules as outlined in the current year’s Texas 4-H Roundup Guide. To be an eligible substitute, he/she must have attended and competed in another competitive District 8 4-H event.

**9. Academic Eligibility of Participants**

According to the Texas Education Code, a 4-H member must be deemed “eligible” to compete in an event that takes place on a weekday or weekend. All 4-H youth, including youth in public, private, and/or home school must adhere to the following guidelines regarding extracurricular activities and academic eligibility:

- Complete a “Declaration of Eligibility Form”
- OR
- Name of 4-H member must appear on a list of eligible students to participate in a specific extracurricular activity signed by the school principal or designee.

If a 4-H member is ineligible for a 4-H competitive event, the agent must notify the 4-H member, his/her parents, and the district office, by letter, of this situation. If the parent has any questions, he/she should be referred to the school administrator.

**10. Auxiliary Aids/Special Accommodations**

If 4-H members that are participating in District 4-H events require auxiliary aids or special accommodations, please notify the District Office at the same time that entry materials are due.

**11. Awards**

Participants who are members of first, second, and third place teams in each age division will receive individual awards. First through fifth place individuals in each age division will receive awards.

## DISTRICT 8 4-H PROVISIONAL LIGHT RIFLE MATCH

### Rules & Guidelines

*\*The Provisional Light Rifle Match participants do not advance to state competition.*

#### 1. Texas 4-H Shooting Sports Light Rifle Rules

The District 8 4-H Light Rifle Match will follow the Texas 4-H Shooting Sports Light Rifle Rules. These rules are used with modifications for the District 8 4-H Rifle Match as stated below. The following rule set supersedes all other rules where differences exist. Any items not addressed in these District 8 Rules or the Texas 4-H Shooting Sports Light Rifle Rules will be referenced to the NRA Smallbore Rifle Rules.

#### 2. Membership

Participants must be a bona fide 4-H member, currently enrolled in their respective county program.

#### 3. Age Divisions

There will be three (3) age divisions (Junior, Intermediate, and Senior) in the District 8 4-H Rifle Match as listed below. Age divisions are determined by a participant's grade as of August 31, 2018 as follows:

<u>Division</u>	<u>Grades</u>	
Junior	3*, 4, or 5	<i>*Must be at least 8 years old</i>
Intermediate	6, 7, or 8	
Senior	9, 10, 11, or 12*	<i>*Must not be older than 18 years old</i>

Only Senior aged members may advance to the state qualifying competition at Texas 4-H Roundup Indoor Rifle Match in June.

#### 4. Participation/Entries

4-H members must be certified by the County Extension Agent to participate at any District 4-H event.

All team members must be from the same county and within the same age division. Exception: Juniors may move up to the Intermediate age division when participating on a team that has a true Intermediate (based upon grades listed above) on it. No one may move up to the Senior age division. No individual may move down to a younger age division. Only Senior aged 4-H members may advance to the state competition at Texas 4-H Roundup Indoor Rifle Match.

There is no limit to the number of teams and/or individuals a county may enter per age division.

*Note.* A county can only have a maximum of 2 individual entries per age division. If there are 3 individuals wanting to participate in the same age division, they must be considered a team entry.

#### 5. Targets & Scoring

The Orion 50-foot Light Rifle 6 Bull Target will be used. This target can be viewed and ordered at the Orion website; (<https://www.orionscoringsystem.com/orion/Product.aspx?ProductID=59>).

Targets will be scored after each relay has completed the course of fire using the Orion Electronic Scoring System. Scoring will be accomplished in the scoring office. Targets will be scored by hand pending if deemed necessary by County Extension Agents in the scoring office.

6. **Target Review**

Once all targets in an age division have been scored, checked, and entered into the scoring system, they will be set out for review. Targets will be available for review for 30 minutes. Intermediates and Seniors will be responsible for reviewing their own targets. One coach and/or parent may assist Juniors in reviewing their targets.

Any challenges to the target scores must be made by the 4-H member (or coach/parent along with a Junior 4-H member) before the targets are removed from the scoring office. If the challenge is correct, the score will be changed to reflect the successful challenge. If the challenge is incorrect, the score will remain as posted.

7. **Qualifying for state**

The Provisional Light Rifle Match participants do not advance to state competition.

8. **Firing Positions**

***This is the main difference from the Texas 4-H Shooting Sports Light Rifle Rules for the District 8 4-H Light Rifle Match.*** 4-H members will shoot from 50 feet as listed below:

Age Division	Position	Time	Number of shots	# of Targets	Shots per bull
Junior	Prone only	20 minutes	20 shots	2 targets	2 shots per bull
Intermediate	Standing only	20 minutes	20 shots	<b>2 targets</b>	<b>2 shots per bull</b>
Senior	Standing only	20 minutes	20 shots	<b>2 targets</b>	<b>2 shots per bull</b>

9. **Academic Eligibility of Participants**

According to the Texas Education Code, a 4-H member must be deemed “eligible” to compete in an event that takes place on a weekday or weekend. All 4-H youth, including youth in public, private, and/or home school must adhere to the following guidelines regarding extracurricular activities and academic eligibility:

- Complete a “Declaration of Eligibility Form”  
OR
- Name of 4-H member must appear on a list of eligible students to participate in a specific extracurricular activity signed by the school principal or designee.

If a 4-H member is ineligible for a 4-H competitive event, the agent must notify the 4-H member, his/her parents, and the district office, by letter, of this situation. If the parent has any questions, he/she should be referred to the school administrator.

10. **Auxiliary Aids/Special Accommodations**

If 4-H members that are participating in District 4-H events require auxiliary aids or special accommodations, please notify the District Office at the same time that entry materials are due.

11. **Awards**

Participants who are members of first, second, and third place teams in each age division will receive individual awards. First through fifth place individuals in each age division will receive awards.

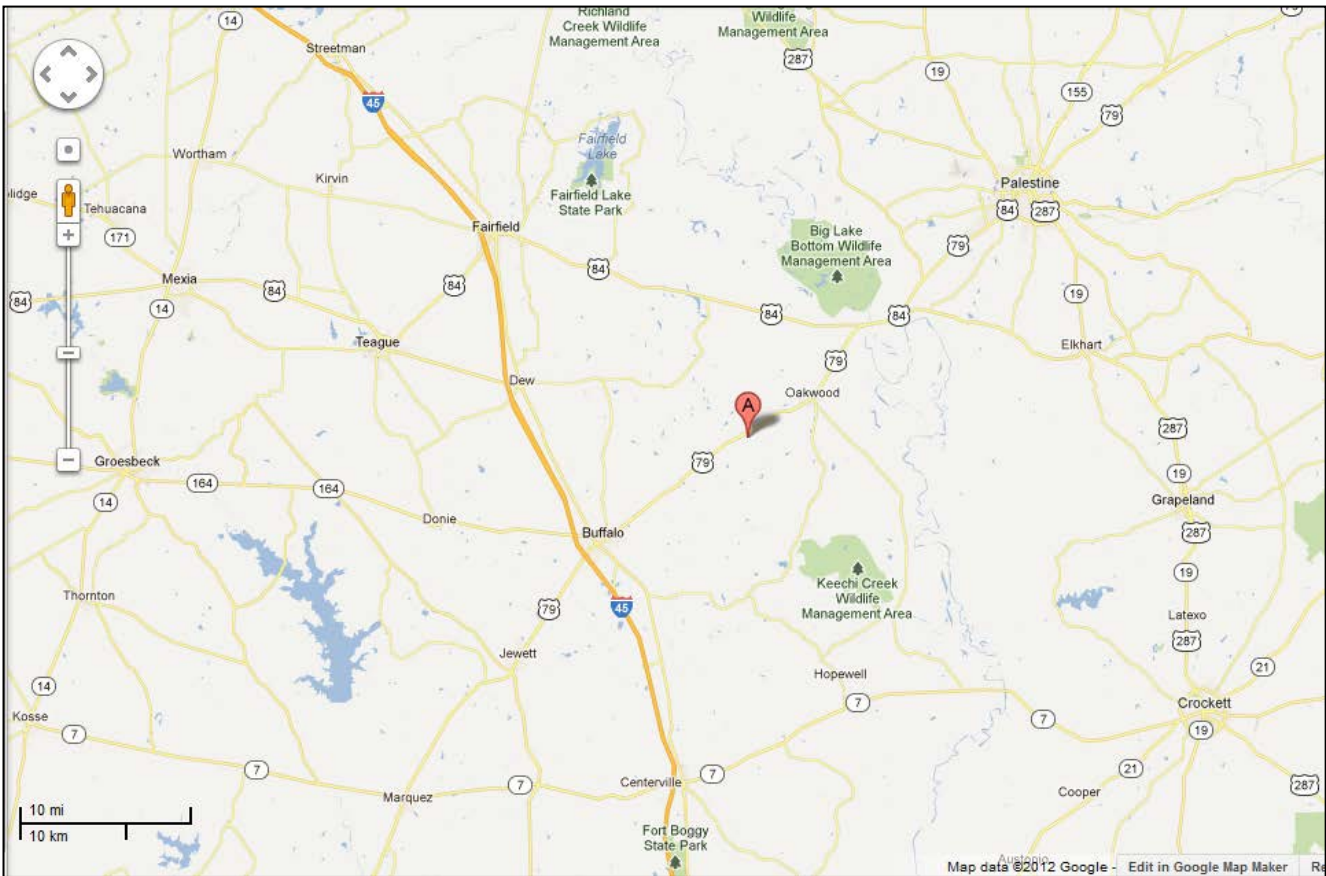

## DISTRICT 8 4-H RIFLE MATCH

### *Directions to Leon County Gun Club*

The address of the Gun Club is 15295 County Road 224, Oakwood, TX 75855.  
Their phone number is 903-322-4298.

From Buffalo, head northeast on Hwy 79 N towards Oakwood.  
Approximately 12 miles out of Buffalo will be County Rd 224.  
Turn right (south) on CR 224.  
Continue on CR 224 and the range will be on the left.

## Texas 4-H Roundup Indoor Rifle Match Rules

This 3-position smallbore rifle match will follow the NRA Smallbore Rifle Rules rulebook except as noted in this match bulletin. The NRA rulebook can be found at <http://competitions.nra.org/official-nra-rule-books.aspx> or on the Texas 4-H Shooting Sports Project webpage under Rules (<http://texas4-h.tamu.edu/shootingsports>).

### 1.0 Competition

#### 1.3 Rules

The following rules apply only to the Texas 4-H Roundup Indoor Rifle Match and supersede any other rules. Any rule not written in this bulletin is covered under the Texas 4-H Shooting Sports Project General Rules and the NRA Smallbore Rifle Rules, both posted on the Texas 4-H Shooting Sports Project webpage under Rules (<http://texas4-h.tamu.edu/shootingsports>). All coaches and competitors are encouraged to become familiar with all rules used in this event.

### 2.0 Eligibility of Competitors

#### 2.0.1 Qualification

The Texas 4-H Roundup Indoor Rifle Match is a qualifying event for Senior age 4-H members only. Participants must qualify from their respective District rifle contests. Each District may allow their top three teams and top three individuals (not from a team) to register for this event. Each participant of the Texas 4-H Roundup Indoor Rifle Match must be either 1) a member of one of the top three teams or 2) one of the top three individuals (not from a team) who competed in their District rifle contest in the current 4-H year. Each shooter in this event will receive an individual score and is eligible for High Individual placings.

#### 2.0.2 Substitutions

Participant substitutions must follow the State 4-H Roundup Rules and Guidelines on Substitutions.

### 2.1 4-H Membership

Participants must be currently enrolled 4-H members in a Texas 4-H Shooting Sports county project.

#### a. Age

##### 1. Age Requirements

Youth may participate in 4-H year from September 1st of grade three through August 31st following completion of grade twelve, with these age restrictions:

- Minimum age - 8 (in addition to being in the 3rd grade)
- Maximum age - 18 (as of August 31, 2015)
- Special education youth who are older than 19 and have not graduated from high school may participate in 4-H Youth Development programs as members, with approval by the county Extension agent. Participation is limited to the club or county level. County Extension staff have

the option, on a case-by-case basis, to allow Special Education youth older than 19 to participate in competitive events at the club or county level.

2. Texas 4-H Member Categories

- **Junior:** Grades 3, 4, and 5
- **Intermediate:** Grades 6, 7, and 8
- **Senior:** Grades 9, 10, 11, and 12

b. Prior Participation

Participants must have qualified at their respective District smallbore rifle match as a member of one of the top three teams or top three individuals. As one of the top three individuals, the shooter must not also be a member of one of the top three teams.

c. Prior Competition (Effective September 1, 2013)

Participants (as an individual or member of a team) who have won 1<sup>st</sup> place in this contest in prior years are eligible to return and compete as an individual or a team member as long as all other eligibility requirements are met.

### 3.0 Equipment

#### 3.2 Rifle

Any safe .22 rifle that can be loaded one shot at a time may be used. No semi-automatic or pump actions rifles may be used in this match.

#### 3.7 Sights

a. Metallic

Only metallic (or equivalent material) sights may be used in this match. This includes open and aperture sights only. Red Dot sights or similar are not permitted in this match.

#### 3.11 Clothing regulations

No open toed shoes may be worn on the range by anyone including coaches or spectators. Shoes must be worn at all times while in the range. If shooters are changing shoes they must sit and change. No walking around the facility or range without wearing shoes. Legs must be covered to the ankles while shooting.

#### 3.19 Eye Protection

All individuals in the range including coaches, range officials and spectators must wear eye protection. The equipment must protect both eyes. Eye protection must be kept on until all shooting has ceased and the firing line made safe. If a shooter's glasses become fogged they must turn and face the back of the range when removing and cleaning.

a. Corrective lens

Normal corrective lenses constructed of impact resistance materials maybe used. Polycarbonate lenses preferred.

b. ISU glasses

ISU shooting glasses maybe used **only** if the lens for the shooting eye is large enough and properly situated to provide adequate protection to the entire shooting eye and an impervious shield is firmly attached to the frame to provide adequate protection for the non-shooting eye. All ISU glasses must be approved before

entering the range. Safety is the over-riding consideration in the use of eye protection. Range officials and shoot management have the final consent on ISU glasses.

### **3.20 Ear protection**

Adequate ear protection is required for all individuals in the range. Ear protection must remain on until all shooting has ceased and the line made safe.

### **3.21 Empty Chamber Indicators (ECI) also known as Open Bolt Indicators (OBI) in 4-H**

An ECI/OBI is required to indicate the bolt is open and should be placed in the chamber when the shooter is not in a shooting position.

## **4.0 Targets**

### **4.3 Smallbore 3-position**

#### **a. Fifty foot 3- position**

Orion Indoor 50 foot rifle target. It is similar in design to the USA-50 (NRA-50) target. The scoring rings are equivalent to the ISSF 50m rifle target reduced to 50ft. This target can be viewed and ordered at the Orion website; (<http://www.orionscoringsystem.com/orion/Product.aspx?ProductID=4>).

## **7.0 Courses of Fire**

Course of fire will be Indoor at 50 feet using Orion Indoor 50 foot rifle targets as described above. Two targets will be used in each of the three positions with 1 shot per bull; 20 shots prone, 20 shots standing, and 20 shots kneeling fired in that order. Shooters with disabilities that prevent them from shooting a certain position can fire the next most difficult; sitting may be used for prone, kneeling may be used for sitting, and standing may be used for kneeling (see NRA rule 13.2). Disabilities must be declared at the time of event registration or declared by contacting the State 4-H Office ([tx4hnaturalresources@tamu.edu](mailto:tx4hnaturalresources@tamu.edu)) if disability occurs after registration.

### **7.0.1 Finals Round**

Following the tabulation of all scores, the high 10 scoring individuals will be eligible to compete in the Finals Round. Each shooter in the Finals Round will fire 10 shots at one target in the standing position. Each shot will have a 75 second time limit. After each shot, the shooter, with the aid of a scope, will visually score each shot and tell range official who will announce to crowd. Following all 10 shots, the scorecards will be taken to the score room and run through the scanner for official scoring. Commands to be used during this Finals Round will be explained to the shooters as a group prior to the round.

The shooter's score in the Finals Round will be added to their overall positions score to determine the High Overall Individual in the Texas 4-H Roundup Indoor Rifle Match. The Finals Round score will not affect the team scores.

## **8.0 Time Limits**

### **8.1 Computing Time**

Time is computed as a running total. Times for individual shots are not observed but a total time is allotted for firing the entire match.

## **8.2 Time Allowance**

Shooters are allowed 90 minutes for 20 shots prone, 20 shots standing and 20 shots kneeling.

Shooting on this time frame allows the shooter to manage their own time within each position and move from one position to the next when a position is complete without a command from the Range officers. Shooters must move and change positions so that they do not disturb the shooters on either side of themselves. Shooters should be considerate of their fellow shooters who share the firing line. Shooters must also move in a way that keeps them safely behind the firing line.

## **9.0 Competition Regulations**

### **9.2 Fouling and Sighting Shots**

Sighting shots may be made at any time on either target card. If the first sighting shot hits outside the guard ring the shooter will inform the range officials who will note the shot. No such claim will be allowed if the shooter has fired more than one shot on the target card. Any additional hits outside the guard ring will be scored as record shots.

### **9.10 Coaching in Individual Matches**

Coaching is permitted with a limit of 1 adult coach per team. Coaching must be done as not to disturb other shooters or coaches. Coaches must sit in designated areas behind their shooters. Coaches are allowed verbal communication only. In the case of a firearm or equipment malfunction, the shooter must raise their hand for a Range officer and ask permission for a coach to leave their seat to approach the shooter.

## **10.0 Range Commands, Control, and Operations**

### **10.1.1.1 Rifles Cased**

All rifles must be taken to the firing line in closed and latched cases and must remain cased until the command is given to uncase rifles. The exception to this rule is when barrel extensions are to be added during the orientation period so as not to delay relay start times. Rifles with barrel extensions must be placed on the provided rack when entering the range and left on that rack until the command is given to retrieve the rifle.

### **10.3.1 Preparation Period**

A 3 minute preparation period will be announced by the Range officer after all equipment has been moved to the line.

## **12.0 Team Officers' Duties and Position**

### **12.6 Coaching in Team Matches**

Coaching is permitted with a limit of 1 adult coach per team. Coaching must be done as not to disturb other shooters or coaches. Coaches must sit in designated areas behind their shooters. Coaches are allowed verbal communication only. In the case of a firearm or equipment malfunction, the shooter must raise their hand for a Range officer and ask permission for a coach to leave their seat to approach the shooter.

## 14.0 Scoring

### 14.0.1 The Orion Electronic Scoring System

Targets will be scored after each relay has completed the course of fire using the Orion Electronic Scoring System. Scoring will be accomplished in the scoring office. The rulebook used for match scoring will be USA Shooting Smallbore with the “P(prone)S(standing)K(kneeling) Course of Fire”. This will only apply for scoring and breaking ties.

Tie breaking for individuals and teams will be as follows:

- 1) Number of X's or “centershots”
- 2) Last 10 shots, working backwards in 10 shot strings – (KSP - kneeling, standing, prone)
- 3) Last shot fired working backwards; inner tens outrank a ten that is not an inner ten (KSP)
- 4) Last shot fired working backwards; using decimal scoring system (KSP)

### 14.0.2 Target Review

Once all targets in a relay have been scored, checked, and entered into the scoring system, they will be posted for review by the shooter only. This review will be available for one hour. After this hour, the targets not reviewed will be considered accepted by default. During the review period, a shooter may make any challenges on their targets. All challenges will be performed by the Orion Scoring System. At no time will a plug or other manual methods of scoring will not be used to determine the value of a shot.

The fee to challenge is \$1.00 per challenged hit. If the challenge is correct, the fee will be returned to the shooter and the score will be changed to reflect the successful challenge. If the challenge is incorrect, the score will remain as posted.

There is no charge for challenging score mathematics.

### 14.0.3 Team Score

Each team score will be calculated by combining the top three individual total scores (individual total score = all position scores combined). On teams with 4 members, the lowest total score will be dropped. Ties will be broken using the same procedures for individuals.

## Texas 4-H Shooting Sports Project Light Rifle Rules (2014)

The national governing body for the Light Rifle event rules are the NRA Smallbore Rifle Rules (<http://compete.nra.org/official-nra-rule-books.aspx>). These rules are used with modifications in 4-H activities and events as stated below. The following rule set supersedes all other rules where differences exist. General 4-H Shooting Sports Project Rules cover all shooting disciplines. In 4-H events, event specific rules and regulations supersede other governing body rules where differences exist. Coaches, parents, and 4-H shooters are encouraged to be familiar with each of these rule sets.

### 3. EQUIPMENT

#### 3.3 Light rifle

Any safe .22 caliber rimfire rifle chambered for .22 Short, .22 Long or .22 Long Rifle cartridges only, a trigger pull of not less than two (2) pounds and weights not more than eight and one-half (8 ½) pounds complete with sights, standard safety features and accessories. Rifles with stocks based on the AR15/M16 platform to include Ruger 10/22 or any other action in an AR stock or any folding or collapsible stock are not permitted.

An adjustable butt plate placed in the center position may be used and adjustable or custom butt plates shall not extend beyond the top or bottom of the stock and shall not exceed a maximum length of six (6) inches. Barrel weights must evenly surround the barrel and not hang below. Slings, Palm rests, Schuetzen type butt plates, and electric or adjustable fore-end bedding devices are not permitted. No thumbhole stocks or pistol grips will be permitted. Extended magazines/clips may not be used as an artificial support. The rifle must be properly held without touching the extended magazine/clip.

Heavy weight or sleeved barrels are not allowed, nor bull barrels. Bull barrels are classified as a barrel with a diameter equal to or greater than the size of a quarter.

#### 3.7 Sights

##### a. Metallic sights

Metallic sights are defined as any sighting system made of metal or equivalent materials that provide a means of aligning two separate, visible sights or reference points mounted on the rifle. Corrective sights as defined in NRA Smallbore Rule 3.7 a (2) may be used.

##### b. Telescopic

A telescopic sight is any sighting system including a lens or lenses and an aiming reference or reticle within the lens system.

##### c. Any

Any sight is a sight without restriction on the type or construction.

##### d. Prohibited Sights

Any sighting device that activates the firing mechanism or projects an image on the target is prohibited. **Note that visually impaired individuals may use a sight that projects an image and have a spotter to assist them in aligning the dot with the target.**

#### 3.8 Spotting Scope

The use of a telescope or other optical device to spot shot is permitted. It may be positioned forward of the shooter's forward shoulder.

### **3.9 Shooting kits**

The use of a shooting stand is encouraged in 4-H position rifle shooting. The stand aids in safety and reduces fatigue by permitting rest between shots. The shooting stand, kit or table may be placed down range of the shooter's forward shoulder during the standing stage of 3-position shooting, but it may not be of a size, shape, construction or placement to interfere with other shooters.

#### **3.9.1 Personal wind indicators**

Competitors may use wind indicating devices at the firing line in outdoor events as long as they do not interfere with other shooters or range operations.

#### **3.11 Gloves**

Gloves which do not form an artificial support may be worn, except in light rifle or silhouette events. Gloves appropriate to the weather conditions may be worn as clothing.

#### **3.12 Clothing**

Padding is permitted on the shoulders and elbows of the shooting coat providing no padding extends below four (4) inches from the elbow joint. The coat may be to a maximum of hip-length with no straps or other provisions for tightening or constructed with any material intended to make the shoulders or other parts more rigid. Shoes shall be a matched pair and may not be designed or altered in any way so as to provide artificial support.

#### **3.17 Ammunition**

Only standard or high velocity .22 rimfire ammunition commercially catalogued as .22 Short, .22 Long or .22 Long Rifle ammunition with an overall length of not more than 1.1 inches, a lead or alloy bullet no larger than .23 inches in diameter and a weight of no more than 40 grains may be used. No hollowpoint ammunition may be used.

#### **3.21 Open Bolt Indicator**

An open bolt indicator is required in all 4-H competition to indicate the bolt is open.

## **4. TARGETS**

### **4.4 50 Foot Light Rifle Target**

#### **a. Fifty foot**

The standard target is the A-32 target, a 6 bull target (5 record bulls and one sighter), 8 through 10 rings black, with white dot in center of 10 ring.

## **5. SHOOTING POSITIONS**

### **5.1 The Ground**

This defines the surface of the firing point or any coverings that do not provide an artificial means of support.

### **5.2 Artificial support**

Any support not specifically authorized, including modifications of the ground to provide support for the elbows, arms or legs.

### **5.3 Rifle butt position**

In all positions the butt of the rifle must be supported on the front of the shoulder, outside the jacket or shirt and not touching the ground.

### **5.4 Rifle magazine**

The rifle magazine may touch the shooter or his or her clothing, but it may not contact the ground or be used as a means of providing additional support.

### **5.5 Physically handicapped shooters**

Shooters with physical handicaps that make it impossible to shoot from the specified positions may petition for permission to use modified equipment or positions. Thorough explanation and photographic evidence of the

position and reasons for using it are required.

### **5.5.1 Temporary disabilities and substitute positions**

Any person with a temporary physical disability preventing them from shooting in a given position, upon presentation of evidence and permission of the Texas 4-H Shooting Sports Coordinator or match coordinator, may be permitted to substitute the next more difficult position, for example, standing for kneeling.

### **5.12 Standing**

Erect on both feet with no other portion of the body touching the ground or any supporting surface. Use of the sling is not permitted and the rifle must be supported by both hands and the shoulder only. The elbow or upper arm of the forward hand may be placed against the body or supported on the hip.

## **6. RANGE STANDARDS**

### **6.1 Firing line**

The firing line is immediately in front of the firing points. All measurements of range are taken from the firing line to the face of the target.

### **6.2 Firing points**

The part of the range provided for the shooter immediately behind the firing line. The minimum width of firing points on a silhouette range is 6 feet.

### **6.4 Shooting distance**

The shooting distance is measured from the firing line to the target face. The shooter may place his or her forward foot or elbow up to the firing line. Both 50 foot and 50 meter events are fired.

### **6.6 Target and firing point identification**

Targets and firing points will be marked with numbers to indicate their position. In silhouette, numbers will be used to identify individual banks of targets. Target numbers should be large enough to be read with the unaided eye under normal conditions.

**6.9 Wind flags** - Outdoor ranges will display wind indicator flags at appropriate intervals. Wind indicator flags will be of a light material (strips of cloth or surveyor's tape) of any bright color except red or orange.

### **6.9 Wind flags**

Outdoor ranges will display wind indicator flags at appropriate intervals. Wind indicator flags will be of a light material (strips of cloth or surveyor's tape) of any bright color except red or orange. In air rifle position events there will be at least one wind flag for each four firing points. In air rifle silhouette events, there shall be a wind flag at each bank of targets.

## **7. COURSES OF FIRE**

### **7.1 Courses of fire**

The courses of fire listed here are those currently in use by the Texas 4-H Shooting Sports Program. A modification of these courses of fire by districts, counties or clubs is permissible as long as the course of fire is listed in the bulletin or announcement of the event.

### **7.9 Light Rifle Standing, Indoor and Outdoor Courses**

Standard firing distance is set at 50 feet.

## **8. TIME LIMITS**

### **8.1 Running Time**

In nearly all 4-H events, time is computed as a running total. Times for individual shots are not observed, but a total time is allotted for firing an entire record string, bank of targets, stage or match. The shooter is responsible

for pacing their shooting to meet the time limitations.

**a. Precedence of posted limits**

Posted time limits supersede standard NRA time limits for each event.

**8.2 Time allowances**

**d. Light rifle**

Designed for hunting weight rifles, this event is fired at 50 feet using the A-32 target. Juniors fire a 20 shot course of fire, Intermediates fire 40 shots and seniors fire 60 shots firing 4 shots per record bull in a time limit of 1 ½ minutes per shot. Modifications of that course of fire and time limits may be applied as announced in match bulletins.

**8.4 Shooter Responsibility**

Shooters are responsible for knowing the posted time limits for each event and for pacing their shooting to the time limits. Range officers may be asked about the passage of time or time remaining, but they are not charged with doing so.

**9. COMPETITION REGULATIONS**

**9.1 Changing rifles**

No competitor will exchange his rifle or the stock of this rifle during the firing of any single or multiple stage match (except in aggregate matches), unless it has become disabled and has been so designated by the Chief Range Officer. The claim of a disabled rifle must be made immediately, and all shots prior to the claim will be counted as record shots.

**9.2 Fouling and sighting shots**

Where permitted, all fouling or sighting shots must be made after the command to commence firing has been given.

**9.2.1 Misplaced sighting shots**

If the first sighting shot falls outside the guard ring of the sighting bulls, the competitor must stop immediately and notify the range officials. Once noted, the shot will be labeled as a sighting shot and discounted in the scoring.

**9.2.1b Outdoor**

When the first sighting shot hits below an imaginary or transcribed line midway between the sighter and record bullseyes (not touching the line with aid of scoring gauge), the competitor will inform the Range Officer of the location of such shot before firing another shot on the target card; the Range Officer will indicate to the Statistical Officer the value and location of the bullet hole. No such claim will be allowed after the competitor has fired more than one shot on the target card. After the first sighting shot any additional shot below an imaginary or transcribed line midway between the sighter and record bullseye (not touching the line with aid of scoring gauge), will be considered a record shot.

**9.4 Defective cartridge**

Any cartridge that has an evident structural defect that may cause a misfire or rifle malfunction, which fails to fire or which results in a bullet remaining in the barrel is a defective cartridge. The shooter must notify the range officer immediately in the event of a defective cartridge. The competitor will be allowed to clear the jam or replace the cartridge and continue to fire. Time lost because of a defective cartridge will be added to the competitor's allotted time.

**9.5 Disabled rifle**

A rifle that cannot be safely and accurately aimed or fired, including one on which the sights were damaged or lost or one that has suffered mechanical problems that cause it not to function properly may be declared disabled. The shooter will be permitted to repair or replace the rifle and complete the firing during the time that was left when the rifle became disabled.

## **9.6 Malfunction**

Failure to fire due to mechanical defects or faulty ammunition is termed a malfunction. The range officer must be notified immediately of a malfunction. Time may be added to the shooter's allotment for time lost due to a malfunction or the shooter may be permitted to re-fire those targets not already shot.

## **9.8 Weighing Triggers**

Triggers may be weighed with official trigger mechanism, at the discretion of the Match Director. Failure of the trigger to meet the trigger pull requirements shall disqualify the rifle. Competitors will be permitted to adjust triggers which have failed to pass the weight test provided they do not occasion any delay. Failure of the trigger to pass the weight test is the competitor's responsibility.

## **9.9 Shooter position**

Shooters must take their positions at their assigned firing points without interfering with shooters on either side of them. No part of the shooter's body may rest on the ground forward of the firing line.

## **9.13 Interference**

No competitor or coach may interfere with other shooters or shoot officials in the conduct of their affairs, either on the range or in the handling of targets. Firing lines and points must be kept clear and conversations will be limited to those required to conduct the business at hand during the firing of a match.

## **9.18 Disturbance of competition**

No shooter will deliberately disturb another during the firing of a shot. If a competitor feels that he/she was disturbed during any shot, the individual will immediately put down their rifle and notify the range officer without disturbing other shooters. If the claim is considered justified, the shot will be disallowed and the competitor will be allowed to repeat the shot. If it is not considered justified, the shot will be credited to the shooter.

## **9.25 Cross-fire and excessive hits**

No competitor will fire on the wrong target or fire more than the required number of record shots, including those on another shooter's target.

## **9.27 Disorderly conduct**

Disorderly conduct or the use of alcohol or other controlled substances on the grounds of any 4-H event is strictly forbidden. Anyone guilty of such behavior will be disqualified from the event(s) and expelled from the range with forfeiture of any entry fees.

### **9.27.1 Destruction of range equipment**

No shooter will willfully damage range equipment. Anyone doing so will be expelled from the competition.

## **9.28 Refusal to obey**

No person will fail to comply with the instructions of range officials in the proper conduct of their offices.

## **9.29 Evasion of rules**

No person will deliberately evade or attempt to evade competition rules, nor shall any person be an accessory to evasion of any rule. Refusal of an individual to give full disclosure of any rule evasion or violation is considered to be acting as an accessory to that evasion.

## **9.30 Disqualification**

The range officials may disqualify and eject any individual from the range premises for unsafe or discreditable conduct. In the event of a disagreement among the match officials in such cases, the Match Director, Event Coordinator or Shooting Sports Coordinator will determine the outcome. Any case of disqualification will be referred to the 4-H Shooting Sports Coordinator for consideration of any additional actions.

## **10. RANGE CONTROL AND COMMANDS**

Standard range safety and operation commands are essential in 4-H Shooting Sports events. Range commands as listed in section 10 of the NRA rule manuals, 4-H basic or expanded range commands as outlined in the

appendices of the 4-H Shooting Sports Guide, Range control and safety are the **primary** concern of range staff.

## **10.1 Discipline**

The safety of competitors, range staff and spectators depends upon continuous attention to all safe firearms handling principles by all persons on or about the range. Self discipline is the foundation of safety; and if it be lacking, it is the responsibility of range personnel to enforce range discipline. It is the duty and responsibility of all persons on the range to assist in this process.

### **10.1.1 Actions open**

No rifle shall be picked up or handled until authorized by appropriate command. Open bolt indicators are **required** on smallbore rifles. All actions will remain open and exposed to inspection except when actively engaged in firing or dry firing under direct command of the range officer. Under **no circumstances** will careless handling be permitted.

### **10.1.2 Rifles Unloaded**

No rifle will be loaded until shooters are in position with the rifles pointed down range and the commands **Commence Firing, Ready or Load** have been given.

### **10.1.3 Rifles Loaded**

Any firearm with its action closed will be considered loaded and must be pointed down range (in a safe direction) at all times.

#### **10.1.4a Cease Firing**

Upon the command CEASE FIRE, all rifles must be immediately unloaded, magazines (if present) removed and the rifles made safe with the actions open.

#### **10.1.4b Commence Firing**

All shooters may start firing upon the command "Commence Firing" as the timing of the string is started with this command. "*Commence*" is the preparatory part of the command and "*Firing*" is the action part of the command. No shot will be fired before the "firing" is spoken.

#### **10.1.5 Not ready**

Competitors who are not ready to fire at the time the range officer asks "**is the line ready**" must notify the range officer by stating "**not ready on** " and include their firing point or target number.

### **10.3.1 Preparation Period**

The preparation period will begin only after the shooters have been given time to bring their rifles and equipment to the line. In all cases competitors will be allowed a minimum of 3 minutes to take their places at their firing points and prepare to fire at the beginning of each match, after firing point has been cleared by the preceding competitor. Dry firing shall be permitted during this period.

### **10.3.2 Interrupted Fire**

If for any reason such as safety or technical problems the shooting is interrupted through no fault of the competitor and if the time elapsed is more than 2 minutes, or if the shooter must move his equipment to another firing point, a preparation period of a minimum of one minter will be given, and one minter will be added to the firing time remaining, for any additional sighters needed, when firing is resumed.

## **10.4 Policing the range**

Competitors are responsible for policing their firing points at the end of each stage or match under the supervision of the range staff.

## **10.6 Repeating commands**

Other range staff will repeat commands of the range officer only when the commands cannot be heard clearly by the competitors under the Chief Range Officer's supervision.

## 10.7 Firing Line procedures and Commands

### a. Relay (#) Match (name) on the firing line

The shooters move to the firing line with their equipment and take their positions at the appropriate firing point.

### b. Go forward and hang your targets

Shooters will move forward to the target frames and hang their targets.

### c. The preparation period starts now

After shooters have returned to the firing line, this is announced. Shooters may handle their equipment, dry fire and prepare for live firing during this three minute period. The range officer verifies that the shooters are on the proper firing points with targets properly hung.

### d. The preparation period has ended

At the end of the three minute preparation period, the range officer announces its ending. before moving on to the following commands.

### e. Is the line ready?

Any competitor who is not ready to fire must reply by stating **not ready on** (firing point number), and the range officer will state **the line is not ready**.

### f. The line is ready, commence firing, you have (#) minutes

Once the problems have been fixed and the line is ready, the range officer will declare the line ready, issue the commence firing command and state the amount of time for the stage or match being fired. Competitor may load and fire after the command **commence firing** had been issued.

### g. Cease firing, make the line safe

At the completion of the time period or upon completion of firing by all competitors, the range officer will stop all firing with the **cease firing** command. Each shooter will immediately stop firing, open the action and place the rifle on the shooting mat with the action open and visible

### h. Is the line clear?

If all rifles are grounded, cleared and have their actions open, the range officer will declare the line safe. If not, he/she will state **the line is not clear, stand easy** and see to any problem that makes the line remain hot. Once it has been resolved, the line will be declared safe.

### i. The line is clear, go forward and replace your targets

No one may touch or handle a rifle while there is anyone down range.

### j. Unsafe condition

Anyone who observes an unsafe condition or the potential for injury to any living animate thing down range must call **Cease fire**.

### k. As you were

This command means to disregard the immediately preceding command.

### l. Carry on

This command means to continue with whatever was taking place prior to an interruption.

## 14. SCORING

### 14.1 Scoring times

Targets may be scored as designated by shoot management, but usually will be scored after each relay has completed their course of fire.

## 14.2 Scoring location

Scoring will be accomplished at the locations designated by shoot management, either on the range or in the statistical office.

## 14.3 How to score

Each shot will be scored by the location of the bullet hole on the target surface. The innermost (highest value) scoring area touched by the bullet hole, even if it is elongated or key holed is the assigned value of the shot. Ricochets will not be scored, but allowance will be made for key holed bullets. The use of appropriate scoring gauges is strongly encouraged on all questionable bullet holes and on any questionable hole on other targets.

Both inward and outward scoring gauges (plugs) will be used to aid in assessing the values of close shots, and holes touching a scoring ring will be scored at the higher value. Inward scoring: 0.2225 - 0.2240 inch, outward scoring: 0.3625 - 0.3610 inch, outward gauge for A-36 10 dot only.

### 14.3.1 Authority to use scoring gauges

Only duly authorized range or statistical staff and referees or jury members are authorized to use scoring gauges. A given hole may be plugged (have the scoring gauge used) only once.

**Scoring inner 10's (center shots)** - Center shots are:

**(3) A-32 target** - Any shot hole within the ten ring which, with the aid of a .22 caliber inward scoring gauge, the flange of which does not touch the outside edge of the ten ring.

## 14.4 Misses

Shots outside the scoring area on the targets will be scored as misses, assigned to the nearest record bull and given the value of zero.

## 14.5 Early or late shots

Any shots fired at the target before the **commence firing** command or after the **cease fire** command are counted as misses. The hits of highest value will be counted as misses until the number of early or late shots is eliminated.

## 14.7 Excessive hits

*(Note that all targets framed or exposed at the same time will be considered "a target card" for the purpose of interpretation in this section.)*

Excess hits on a target card will be scored as follows:

### a. On his own target

Excess hits on any bull will result in moving the higher scoring shot to any record bull with a penalty of one (1) point for each occurrence. If excessive hits occur on any target, only the required number of hits of lowest value will be scored, unless it is confirmed that another shooter fired the excessive hit(s). Confirmed hits by another shooter will be discounted and not entered into the score.

### b. On the target of another competitor

If a competitor fires more than the required number of shots for a target card and one or more hits are on a target other than his own, all shots on the targets of others will be brought back to the corresponding bullseye(s) on his own target and scored as outlined in Rule 14.7 (a) (excessive hits) and Rule 14.10 (crossfires)

## 14.10 Hits on Wrong Target or Bullseye

*(Note that all targets framed or exposed at the same time will be considered "a target card" for the purpose of interpretation in this section.)*

### a. Hits on wrong bullseye

When more than the required numbers of shots are fired at one bullseye on the same target card the competitor will be given the actual value of his score, minus a penalty of one point for each shot fired at the wrong bullseye.

Penalty points shall be deducted from the shot or shots of highest value on the bullseye bearing more than the required number of hits and shall thereafter be scored as the actual value of that shot. A 10X or a 10 so penalized becomes a 9. When multiple internal crossfires are fired, the lowest value crossfired shot will be allocated to the highest numbered bull with insufficient hits, repeating as necessary until all shots are accounted for,

#### **b. Excess hits on a target**

If excessive hits occur on any target, only the required number of hits of lowest value will be scored, unless it is confirmed that another shooter fired the excessive hit(s). Confirmed hits by another shooter will be discounted and not entered into the score.

#### **c. Hit on wrong targets where backing cards are not used**

The competitor receiving a shot(s) claimed not to be his own will accept the value of the shot(s). If the additional shot(s) cause excessive hits, then the competitor will be scored the low hits minus one penalty point for each excessive hit.

### **15. DECISION OF TIES**

#### **15.1 Decision of ties**

Ties will be decided as follows:

- a. The shooter with the greatest number of center shots over the course of fire will be placed ahead of other ties.
- b. The highest number of 10s, 9s, 8s, etc.

### **16. CHALLENGES AND PROTESTS**

#### **16.1 Challenges**

When a shooter or coach feels that a match fired where he/she is competing has been improperly evaluated or scored, the shooter may challenge the score. A challenge must be made within the challenge time.

#### **16.2 Protests**

A competitor may formally protest

- a. Any injustice which he feels has been done him except the evaluation of a target, which he may challenge as outlined in Rule 16.1.
- b. The conditions under which another competitor has been permitted to fire.
- c. The equipment which another competitor has been permitted to use.

#### **16.3 How to Protest**

A protest must be initiated immediately upon the occurrence of the protested incident. Failure to comply with the following procedure will automatically void the protest:

- a. State the complaint orally to the Range Officer or Statistical Officer. If not satisfied with his/her decision then,
- b. State the complaint orally to the Match Director. If not satisfied with his decision then,
- c. File a formal protest with the Match/Event Director stating all the facts in the case. Such written protest must be filed within 12 hours of the occurrence of the protested incident.
- d. The Match/Event Director will form a Jury, discuss the facts, make a decision and report to the competitor.

The protest and result of the protest will only be discussed with the shooter/participant that filed the complaint.

## **18. SHOOTER AND COACH RESPONSIBILITY**

### **18.0 Safety**

Shooters and coaches are responsible for understanding and practicing the rules of safe firearms handling. The highest standards of safety are to be followed at all times.

#### **18.0.1 Behavior and sportsmanship**

The spirit of 4-H sportsmanship and appropriate behavior is expected of all participants in the 4-H shooting sports program.

#### **18.2 Knowledge of procedures and rules**

Shooters and coaches will make an effort to understand the procedures used in each event and comply with the rules and standards of the events. Questions are encouraged to clarify any areas of misunderstanding or ignorance. Ignorance of the rules in any event does not obviate their existence. Shooters are responsible for knowing the rules of their event and staying within them. Learning the rules of the events is part of the educational process for shooting sports participants.

#### **18.3 Eligibility**

It is the shared responsibility of the shooter and his/her coach to determine that all eligibility requirements for participation in the shoot have been met.

#### **18.7 Reporting**

Shooters are responsible for knowing the proper time to report for each event and appropriate relay with equipment and materials necessary for completion of the event. They are also responsible for reporting in a timely fashion for any announced orientation programs and for observing progress in their events in order to be prepared early if shooting proceeds at a rate faster than the posted times. Shooters should be prepared to take the field a minimum of 45 minutes ahead of their posted firing time.

#### **18.7b Required Orientation**

Where an orientation is required (as in the Texas 4-H Shooting Sports Championships) any shooter failing to attend the orientation will be disqualified from events during that day unless they are able to make up the orientation. No guaranteed availability of such make-up sessions is required. It is the shooter's responsibility to attend and receive the evidence of that attendance.

#### **18.8 Timing**

The shooter is responsible for knowing and abiding by all time limitations for firing any string of shots.

#### **18.11 Checking scores**

Each shooter is responsible for checking the scoring and mathematics of their individual score cards or targets. **Only** the shooter may review these cards or targets. Some events may allow an official will assist any shooter wishing to review their cards or targets.

#### **18.12 Clearing the firing point**

Each competitor must leave the firing point promptly at the completion of his/her relay. Rifles must be unloaded with their actions open and an open bolt indicator in place.
